**Sub: Assessors Orientation Programme (AOP) on Revised Accreditation Framework – reg.**

Dear Prof. Sarma ,

*Greetings from NAAC.*

As you are aware, the National Assessment and Accreditation Council (NAAC) was established with its prime agenda to assess and accredit Higher Educational Institutions (HEIs). NAAC has so far, organized more than 11,000 accreditation visits for Higher Educational Institutions (Universities and Colleges).

Recently, the NAAC has developed the Revised Accreditation Framework (RAF) taking cognisance of changing trends in higher education and aligning the reforms with rapidly transforming global education scenario. The revised framework developed in partnership with stakeholders have a distinct focus on data capture for quantitative assessment and process details for qualitative assessment and is an effort to make the assessment and accreditation process more robust, objective, transparent, IT enabled outcome oriented and stakeholder friendly. The Revised Accreditation Framework is in place from July 2017.

NAAC believes that the quality of the assessment depends on the quality of the assessors. NAAC draws its expertise from senior academicians of undoubted integrity from all over India. To meet the expanding demands for assessment and accreditation,

Contd.. 2..

{Page 2}

NAAC wishes to expand the *National Collegium of Assessors* and empanel the best experts in different disciplines. To enable the identified experts to work effectively, NAAC regularly organizes Assessors Training / Orientation Programme for orienting the assessors. In this backdrop it has been decided to organise two days' Assessors Orientation Programme on Revised Accreditation Frame Work (New Methodology of A&A) of NAAC at Tezpur University, Assam during 14-15 December 2017.

The proposed Assessors Orientation Programme (AOP) is aimed at providing an insight on NAAC's Philosophy and Process of Revised Assessment and Accreditation Framework (RAF). As a part of the programme, we will have an Orientation and discussion on the process of RAF for Assessment & Accreditation of Institution. AOP is also an opportunity to get feedback from academicians, which help NAAC in further fine-tuning the process of Assessment and Accreditation.

**In this backdrop, you are requested to nominate five Professors from your university for participation in the programme. The nominations along with the CVs of Professors may kindly be forwarded by 14<sup>th</sup> November 2017 to: Dr. B.S. Madhukar Advisor and Regional Co-ordinator, NAAC (Email: [naac.ner@gmail.com](mailto:naac.ner@gmail.com) ).**

File No. 13-2-2014-NBA

Date: 19-12-2017

To,

The Vice Chancellor  
Tezpur University  
P.O. Napaam, Tezpur - 784 028  
District: Sonitpur  
Assam

**Subject: Extension of the Period of Accreditation Status granted to UG Engineering Program(s) offered by Tezpur University P.O. Napaam, Tezpur - 784 028 District: Sonitpur, Assam.**

Sir,

This has reference to NBA's letters of even number dated 15-04-2016 under which some of the UG Engineering program(s) offered by your Institution were granted accreditation in Tier I by National Board of Accreditation.

2. National Board of Accreditation (NBA) has now decided that in all cases where UG Engineering program(s) of an Institution were granted provisional accreditation for a period of 2 years in Tier I/Tier-II format, the period of provisional accreditation of these programs shall be extended from 2 to 3 years subject to the condition that they meet the essential Pre-visit qualifiers. The Pre-visit qualifiers submitted by **Tezpur University P.O. Napaam, Tezpur - 784 028 District: Sonitpur, Assam** have been considered and approved by NBA in respect of the following UG Engineering program(s). Accordingly, the competent authority in NBA has approved the following accreditation status to the program(s) as given in the Table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of extended validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science and Engineering	Tier-I Document	Provisionally Accredited	01-01-2018 to 30-06-2018 and Academic Year 2018-2019, i.e., up to 30-06-2019.	Accreditation status granted is valid for the period indicated in col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Food Engineering & Technology				
3.	Mechanical Engineering				
4.	Electronics & Communication Engineering				

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted provisional accreditation. **Tezpur University P.O. Napaam, Tezpur - 784 028 District: Sonitpur, Assam** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the program(s) as indicated in the above table does not imply that the accreditation has been granted to **Tezpur University P.O. Napaam, Tezpur - 784 028 District: Sonitpur, Assam** as a whole. As such the Institution should nowhere along with its name, including on its letter head etc. write that it is accredited by NBA because NBA only accredits program(s), and not Institutions. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of programs and the period of validity of accreditation, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program(s) is subject to change on periodic review, as deemed necessary by the NBA. It is desired that the relevant information in respect of accredited program(s) as indicated in the Table in paragraph 2, appears on the website and information bulletin of your College/Institution.

7. The accreditation status awarded to the program(s) as indicated in Table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note. .
