Dr. P. K. Das
Professor &
Organizing Vice Chairman JEE-2009
ex-Vice President – IIT Club

5th September 2021

Internship Certificate

I know Mr. Anupam Chetia for the last one year. I have found him to be a sincere and diligent student. He had undergone his summer internship from 23rd June 2021 to 24th August 2021 in this Dept. He was given the problem of *“Design and Implementation of Voice based Path Planning System for Airborne Vehicles”*.

During this period of interaction (about two months) that I have had with him, I have found him to be sincere and productive. He had shown aptitude and interest to learn and grasp new concepts. He has good programming and logical analysis skills which he has demonstrated in solving problems as posed to him.

Prof. P K Das
