INSTRUCTION TO B.TECH 7th SEMESTER STUDENTS ON INDUSTRIAL SUMMER TRAINING PRESENTATION:

1. Students who have carried out their training in the same organization will be presenting together. They will be evaluated individually as well in the group.
2. All students must be present for the group presentation whether they have the presentation on the scheduled date or not.
3. The presentation will be carried out online on GOOGLE MEET platform and 15 mins prior to the actual time of the presentation every one should be ready to log in and be present.
4. Each presentation is to be for about scheduled for 15 minutes in total, hence students are requested to make the slides accordingly, with 5 minutes allotted to question and answers within that time.
5. The students are to upload their summer training report (preferably in pdf format) by 23rd December 2020 in a google drive folder, the link of which is provided at the end of this document. The report should be saved as the roll no of the student.
6. The students are to share their screen on GOOGLE MEET platform when presenting. This will help the instructors and evaluators to see the presentation on screen.
7. Please keep your microphones in the off mode while being online and do not make any other interruptions. Only the faculties and the students presenting will be allowed to have their microphones on.
8. In case of loss of connectivity, we shall resume where we left off.
