To Whom It May Concern

I am writing this Letter of Recommendation for Shruti Dutta Banik who recently completed an internship under my supervision at The Envoy Web from 28 June 2021 until 29 September 2021.

During the course of her engagement with us, Shruti produced content for the editorial section and had 75 articles published under her name, comprising news pieces, features, opinions, listicles, and reviews.

Shruti was eager to work and learn from her superiors. She would consult her mentor to make sure she performed her tasks efficiently. Her drafts required very little correction, and she was conscientious about deadlines and word discipline.

I was impressed by the readiness with which she threw herself into this role to get the most out of it. I have no hesitation in recommending her application for future endeavours.

If you need additional information or perspective, please do not hesitate to contact me via e-mail at the details mentioned below.
