## TO WHOM IT MAY CONCERN

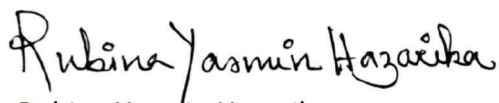

It is my pleasure to offer my unreserved appreciation for and recommendation of Miss Sarmistha Agasthi, for the concerned position/role. I've had the opportunity to work with her for the past one month, and have been impressed with her diligence, efficiency, and the ability to demonstrate a fine balance between professionalism and maintain a good personal rapport.

Miss Sarmistha Agasthi has been engaged with Piramal Foundation as an intern for the 'Surakshit Dada-Dadi Nana-Nani Abhayan' wherein, she was tasked with virtually connecting to senior citizens in the far-flung rural pockets of the District of Baksa in Assam, to understand the physical and mental wellbeing of the Senior Citizens while coping with the scenario created by the Covid-19 Pandemic. The information Miss Sarmistha has been able to collect from the ground regarding the health status of the senior citizens and their grievances has gone a long way in helping Piramal Foundation and District Administration, Baksa to reach out and help the senior citizens through provision of basic necessities and early detection of Covid-19 symptoms and arrangement for medical intervention.

I believe that Miss Sarmistha would do very well in any role or responsibility handed out to her and therefore can be a prized addition to a team. Her proficiency in communication has been prominently noticed in her approach and engagement with the beneficiaries of the SDDNN Campaign, and her dedication to the internship and the cause of 'social service', has been appreciated by the team of Piramal Foundation throughout the period of her affiliation with us.

I extend my heartfelt gratitude for being able to get acquainted with such a bright student and wish success for her in the next leg of her journey!
