Dear Rajesh Kalarivayil,

...

The AfricaLics Secretariat on behalf of Globelics Secretariat and the Local Organizing Committee, Globelics Conference 2018 is glad to inform you that SIDA has provided moderate funds to support your travel expenses in connection with your participation in the 16th Globelics Conference 2018 in Accra, Ghana.

You will find information on the amount granted at the end of this e-mail.

We received a huge number of good applications which means that not all successful applicants will receive travel support. If you know that you do not plan to come to the conference please let us know as soon as possible so we can reallocate the grant reserved for your travel so someone else.

You should note that priority has been given to young scholars, scholars from Low Income and Lower Middle Income Countries as well as female applicants from these countries.

As a grantee, please note that:

- Your paper must have been accepted and you plan to present in person in order to receive support.
- If your paper is with co-author(s), we can only give travel support to one presenting author.
- We can only support airplane ticket (thus not hotel, taxi, visa costs, food, etc.). **Please note: We only support low fare/economy class tickets.**
- The reimbursement procedure starts AFTER the conference. It is therefore NOT possible to receive cheque, cash or other forms of payment at the conference.
- We cannot refund costs larger than the amount you are granted.
- We cannot refund costs larger than the documented costs, which mean that we need original tickets and receipts AFTER the conference.
- The AfricaLics Secretariat can only provide travel support in terms of reimbursement of travel costs AFTER the conference: Neither the AfricaLics Secretariat nor Globelics secretariat can support in means of prepaid tickets.

Before the conference you will receive information on the reimbursement procedure and how to submit, upload AND POST YOUR ORIGINAL tickets/receipt and boarding passes/stubs.

You have been granted **1150 USD** of your documented costs as a contribution to cover the costs for your airplane ticket. This is based on evaluation of the amount you applied for against the current market rate as reviewed by us. Plan to buy your ticket early enough before the costs go up. Please use Momondo (<http://www.momondo.com/>) for flight cost comparison to help you get the best offer available.

If you have any questions related to this travel support, please write to the AfricaLics Secretariat at secretariat@africalics.org for anything else about the conference, please liaise with the Globelics secretariat on info@globelicsconference2018.org

Best Regards,

16th GLOBELICS International Conference 2018
