

Meeting of the Examination Committee held on 15.6.2017  
for declaration of the results of the outgoing batches of students

Meeting perused the result prepared by the COE.

The meeting resolved the following:

(1) There are too many 'i' grade which may be due to measles or other diseases/diseases. Registrar may be requested to take necessary precaution to prevent such diseases.

(2) Exit case of a student of B-Tech Civil Engineering may be shown in the result sheet.

(3) 'w' grade in the provisional result sheet if any student gets 'w' grade(s) should be reflected in the remark column as ~~not~~ 'w' / two credits etc.

(4) In the remarks column of the provisional result sheet total credit remaining for a student may be reflected ~~for~~ for which software team be requested.

(5) The meeting feels that ~~there~~ should be a instructors of each course should send display the marks obtained by the students not later than one week from the date of <sup>test(s)</sup> examination. Further, the meeting feels that <sup>to the concern</sup> the <sup>Dean of the school</sup> instructors should send the complete statement of marks obtained by the students in all the tests held including the mid term not later than a week after the mid term.

(6) The results of final semester students be declared.

Minutes of the examination Committee meeting held on 30.6.2017

The committee examined the semester End examinations (Spring semester), 2017 of continuing students thoroughly and ~~resolved~~ found in order.

The meeting resolved to declare the results.

The meeting, further, discussed that two Ph.D. students of the Dept. of Business Administration secured only 4.0 CGPA. As per regulation min. CGPA of 6.00 is required for continuing the research. ~~There~~ On the other hand, they have done M.Phil degree. ~~There~~ The meeting requested the Dept. of ~~B.A.~~ Business Administration to assess the marks obtained by them in M.Phil to equivalent ~~CGPA~~ grade grade point.

The results of B.Voc. in Food Processing and ~~Diploma~~ Diploma in Paralegal Practice are yet to be prepared due to non-received of the grades from the Departments. This is due to delay in assessment by the NSRF for skill component of food processing and due to <sup>no completion of</sup> ~~extension of~~ <sup>internship of</sup> ~~extension of~~ paralegal students ~~still 30th June, 2017~~ <sup>within the before decision on the results.</sup> The meeting resolved that the ~~HOD of the~~

concerned HOD and nodal officer be requested to take necessary steps ~~and~~ <sup>and</sup> for declaration of results within 14<sup>th</sup> July, 2017. ~~so that the results be declared along with the other programmes.~~

The committee perused the proposal of Sitaram Jindal Foundation dated 16<sup>th</sup> June, 2017 and resolved that information ~~to~~ <sup>from the foundation</sup> be collected, that which all the institutions who have been awarded the gold medal so far.
