Except in B.Tech, MBA, M.Sc. in Molecular Biology and Biotechnology programme, the students in other UG/PG programmes were admitted provisionally considering the marks of prefinal semester of qualifying examinations subject to condition that they would submit the final marksheets within three months from the date of admission to the programme.

For B. Tech., selection for admissions was done based on All India Rank (CRL) of the JEE (Main) conducted by the NTA. Sixty percent of the total seats were filled up from the candidates of NE states on production of Permanent Residence Certificate (PRC) issued by the Competent Authority of any NE state. Counselling and admission of the shortlisted candidates were held at Tezpur University. Admission to the remaining seats were made through the Central Counselling conducted by the JoSAA.

GATE qualified candidates were directly admitted to the M.Tech. Programmes. Some Non-GATE candidates were also admitted to the M.Tech programmes based on the performance in the online test. **For admission to MBA programme, candidates were selected based on the score of National tests such as MAT/CAT/XAT/ATMA/GMAT/CMAT, and Personal Interview.** Admission to M.Sc in Molecular Biology and Biotechnology was done based on the score of GAT-B conducted by Regional Centre for Biotechnology on behalf of Department of Biotechnology, Govt. of India.

Candidates of PhD programmes were selected based online test and PI conducted by the concerned Departments in online mode.

Although 5 nos. of candidates, *who secured up to top 5th Rank in 10+ 2 examinations of NE states*, were selected for Direct admission to B.Tech and Integrated M.Sc programmes, one such candidate took admission to the B.Tech. and one in 5-year Integrated programme. Thirteen students were admitted under **Defence Quota** as per Govt of India policy and 03 foreign students were admitted through ICCR on supernumerary basis.

Automation of Academic and examination section

The academic and examination section of Tezpur University uses an indigenously developed examination automation system with the title 'Examination system on Tezpur University'. Presently, the system is used for course registration of students and examination result processing. The system is envisaged to be developed into a fully automated examination system including all aspects of CBCS system, continuous and comprehensive evaluation, software assisted grade generation, student grievances etc.

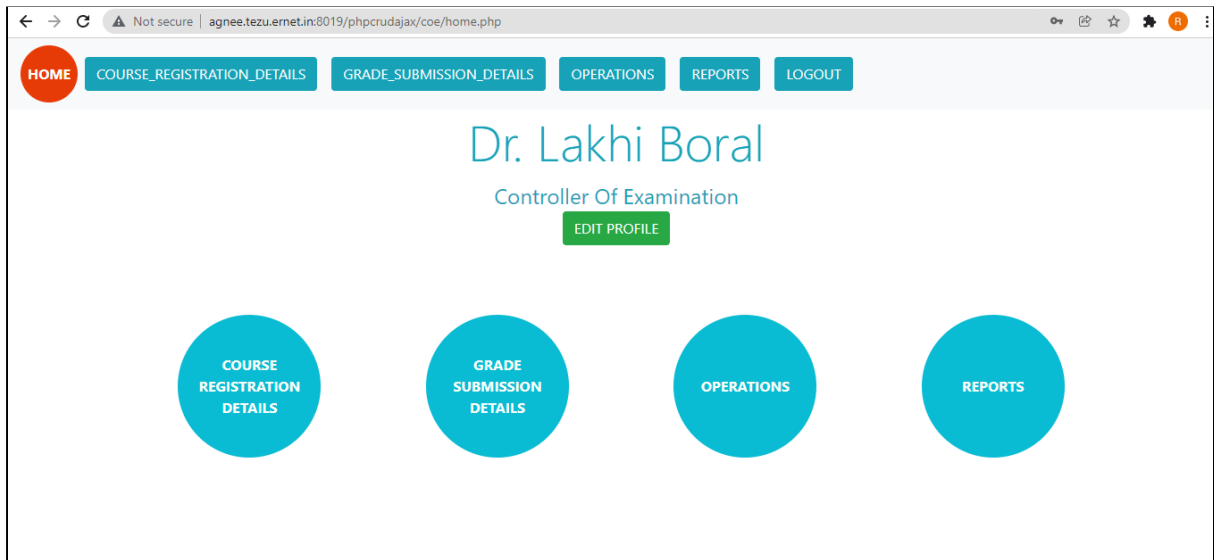

The following screenshots of the Examination System of Tezpur University is attached for a brief visualization of the system.

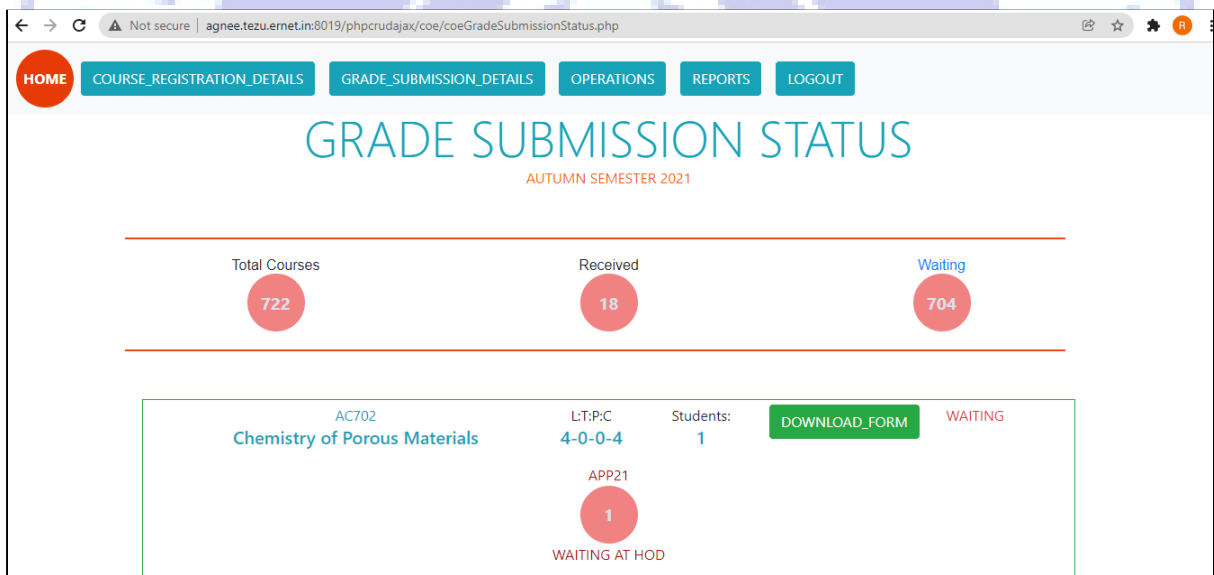

The screenshot displays a web browser window with the following elements:

- Address bar: Not secure | agnee.tezu.ernet.in:8019/phpcrudajax/login/login.php
- Form fields: USER NAME and PASSWORD.
- Buttons: FACULTY LOGIN, ADMIN LOGIN, and HELP.

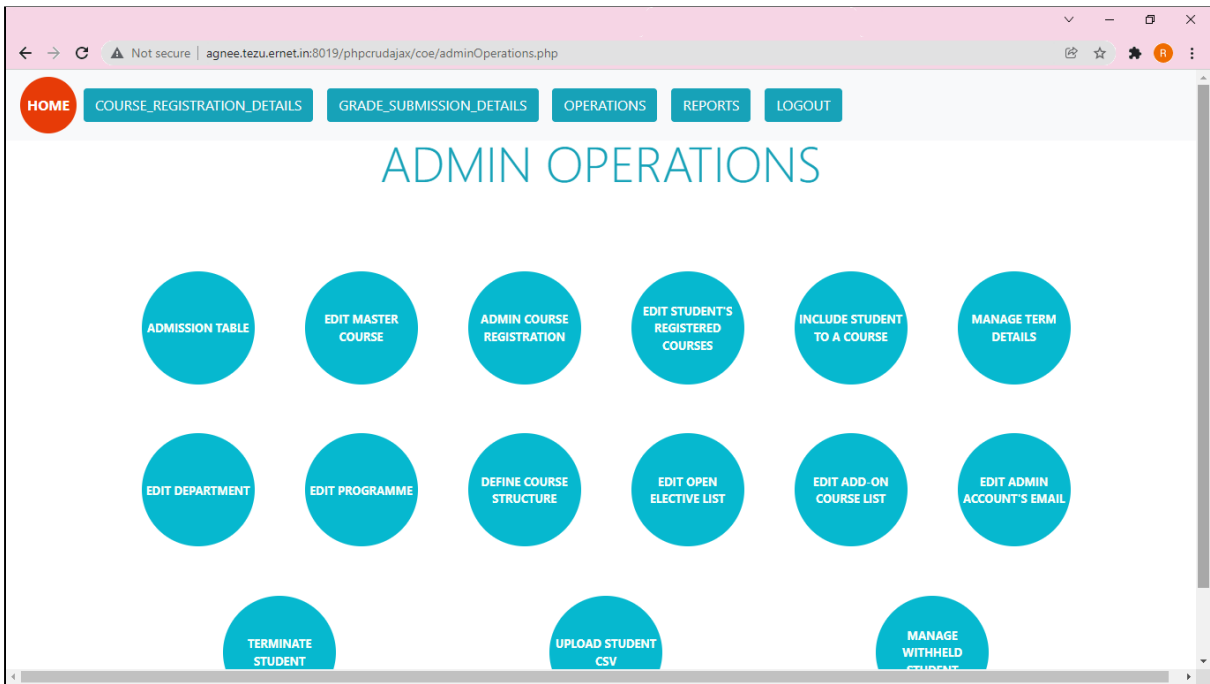

Login page to enter into the system with different roles.

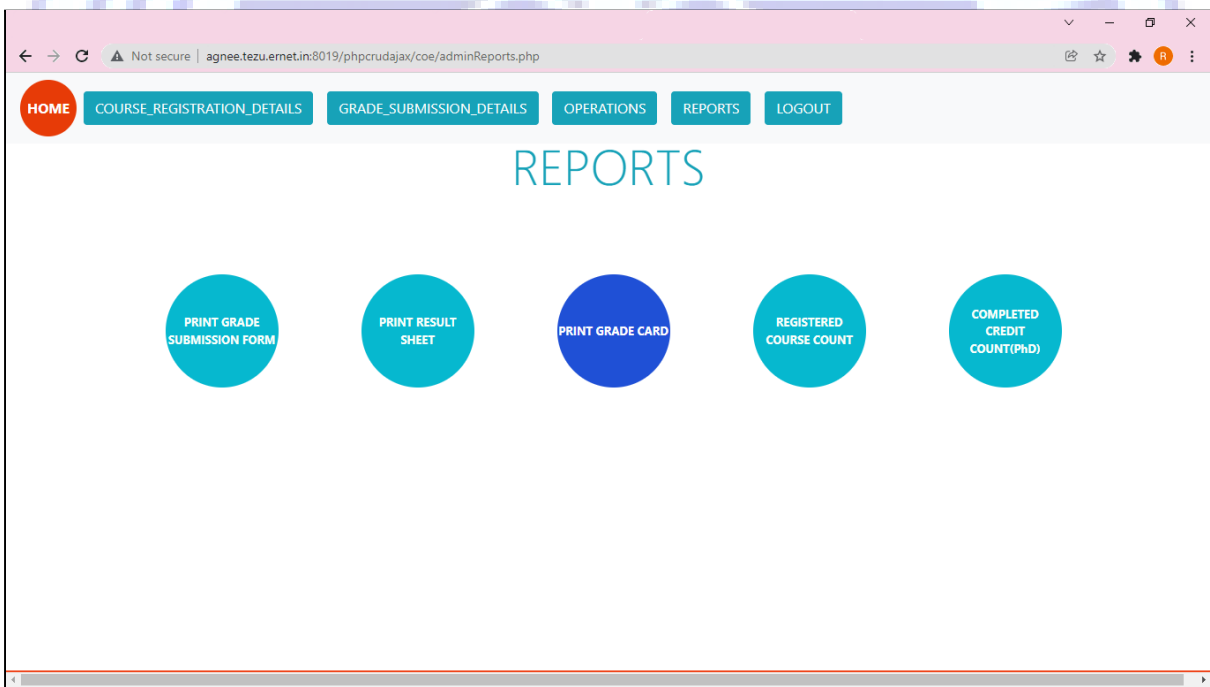

Home page for the COE of Tezpur University, from where different events can be monitored, controlled and notified to different users and students.

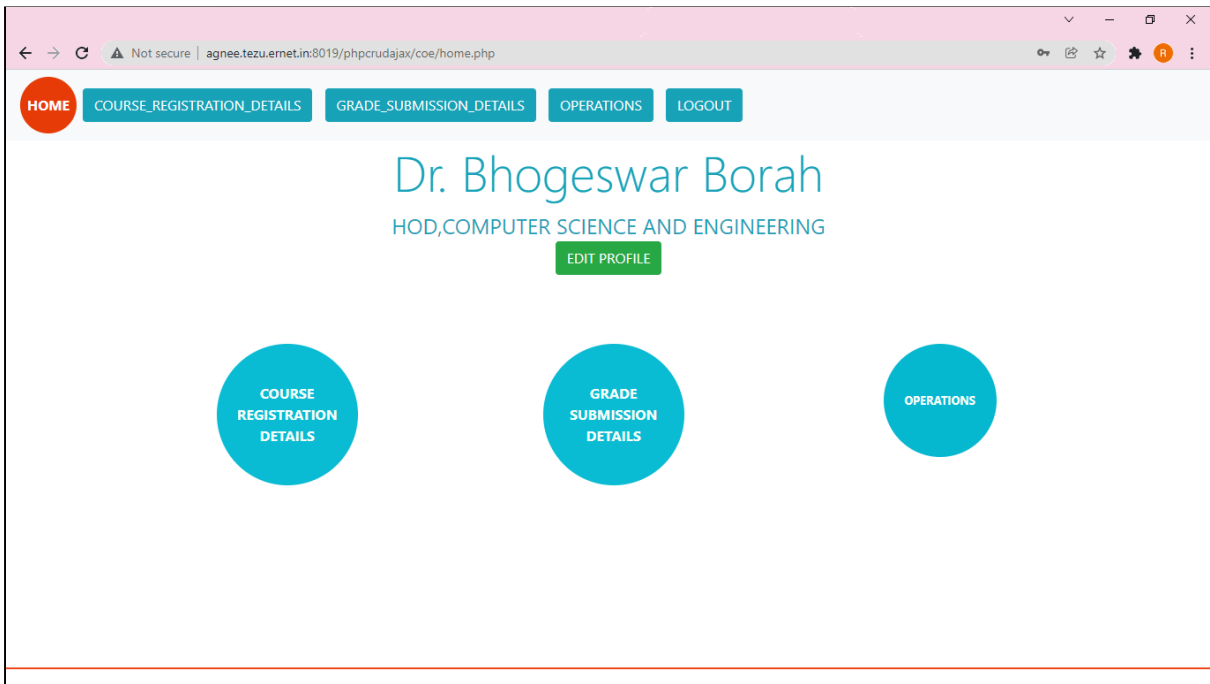

Live status for events like Course Registration and Grade Submission can be viewed by COE as well as other administrative bodies of the university.

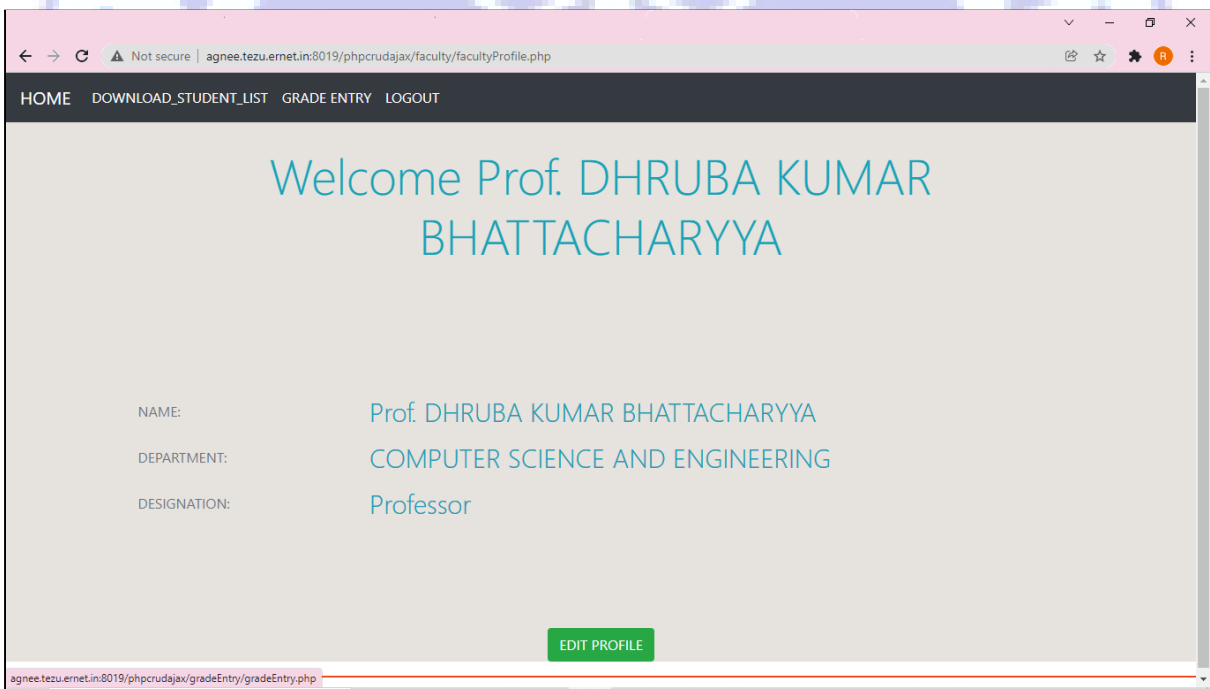

Many different operations are supported by the new system to make the system more robust and error free.

Different reports are supported by the system including grade cards and results sheets.
