Dear Rajesh Kalarivayil,

We are glad to inform you that the Globelics Secretariat has raised funding from SIDA and Aalborg University to support your travel expenses in connection with your participation in the 14th Globelics Conference 2016 in Bandung, Indonesia.

You will find information on the amount granted at the end of this e-mail.

In total we received application for more than 165,000 € from scholars accepted for the conference which means that not all applications could be met. If you know that you do not plan to come to the conference please let us know ASAP so we can reallocate the grant reserved for your travel so someone else.

You should note that priority has been given to young scholars and scholars from Low and Lower Middle Income Countries.

When you book your ticket we recommend that you also look for tickets to Jakarta instead of Bandung. The local organisers will arrange shuttle service from Jakarta airport as well as Bandung airport and you will find that tickets to Jakarta in most cases will be less expensive and with shorter overall travel time compared to tickets to Bandung.

As a grantee, please note that:

- Your paper must have been accepted and presented in order to receive support.
- If your paper is with co-author(s), we can only give travel support to one presenting author.
- We do not grant travel support to applicants residing in the country where the conference is located.
- We do not support employees from Ministries and other government agencies (e.g. development banks).
- We can only support airplane ticket (thus not hotel, taxi, visa costs, food, etc.). **Please note: We only support low fare/economy class tickets.**
- The reimbursement procedure starts AFTER the conference. It is therefore NOT possible to receive cheque, cash or other forms of payment at the conference.
- We cannot refund costs larger than the amount you are granted.
- We cannot refund costs larger than the documented costs, which mean that we need original tickets and receipts AFTER the conference.
- The Globelics Secretariat can only provide travel support in terms of reimbursement of travel costs AFTER the conference: The Globelics secretariat cannot support in means of prepaid tickets.

Before the conference you will receive information on the reimbursement procedure and how to submit, upload AND POST YOUR ORIGINAL tickets/receipt and boarding passes/stubs.

You have been granted: 750 EUR of your documented costs as a contribution to cover the costs for your airplane ticket.

If you have any questions related to your grant for travel support, please write to the Globelics Secretariat at gro@business.aau.dk. Please write travel support under subject.

Best Regards,

Re: Invitation letter to Prof. Dhanapati Deka and Professor Utpal Bora.

Dear Professor Deka,

The program-based bilateral R&D cooperation project of India and Hungary, titled “Biochemicals, and biofuels from lignocellulosic biomass by green catalytic processes”, supported in Hungary by the National Research, Development and Innovation Office, Hungary (Project No: TÉT_15_IN-1-2016-034) reached the stage when personal meeting of cooperating scientists seems to be necessary to move the work on. Therefore, it is my pleasure to invite you, as the Indian principal investigator (PI) of the project, and Assistant Professor Dr. Utpal Bora, who is the Co-PI of the project, to visit our institute during June 12 - June 20, 2017.

We booked two rooms for you for 8 nights at Hotel Ibis (Ráday utca 6., Budapest, Hungary 1092).

Your visit in our Institute was a great opportunity to change views about current scientific questions. I would be glad if you presented a lecture that covers an interesting topic on heterogeneous catalysis or nanostructured materials.

Sincerely yours

In case of grantees on eight or nine month grants, this fellowship provides for a dependent allowance of \$200 per month towards maintenance for one principal dependent, provided the dependent is in the U.S., for at least 80% of the entire grant period.

If you are employed, the fellowship has been awarded to you on the assumption that you will be given leave by your employer for your research/teaching/professional development in the U.S. This should be confirmed officially to us as soon as possible. Since funds in this program are extremely limited, no extensions are possible.

CIES, the coordinating agency in the United States, has been designated by the FSB and the U.S. Department of State to arrange, verify and supervise the professional programs of foreign scholars visiting the United States to conduct advanced research under the Fulbright-Nehru program.

You should feel free to communicate with USIEF and CIES concerning any problems that may arise during your stay in the U.S. Please contact **Dr. Sudarsan Dash**, Senior Program Officer, Indian Program, USIEF-New Delhi at Sudarsan@usief.org.in and **Ms. Viji S. All matters relating to international travel, except in the case of emergency, should be taken up directly with USIEF in India at least two months before your departure from the U.S. You are expected to return to India as soon as your grant ends in the U.S.

USIEF will disburse your monthly stipend and applicable allowances, unless otherwise specified, through wire transfer to your U.S. bank account. Please provide USIEF the required U.S. bank information on the prescribed format immediately after opening your U.S. account.

USIEF expects you to remain in touch with USIEF and CIES during the course of your grant. You will have to submit a **mid-term report**, half way through the grant period, to USIEF. In addition you are required to submit **two** reports on your U.S. experience and impressions -- one to CIES at the end of your stay before leaving the U.S. and the second to USIEF after your return. The report templates will be given to you at the appropriate time.

www.usief.org.in

Please note that extension is not possible under the Fulbright-Nehru awards. Visiting Fulbright-Nehru scholars are subject to the two-year foreign residence requirement associated with the J-1 visa. This means that you are not eligible to apply for status in the U.S. as permanent resident, H temporary worker/trainee, or L intra-company transferee until you have resided and been physically present in India for at least two years following your departure from the United States.

We wish you all the best for your Fulbright-Nehru Program in the U.S.

Dear Dr. Devi,

It gives me great pleasure to invite you, on behalf of the Governing Board and Director of IUCAA to become a Visiting Associate of IUCAA from August 1, 2019 for a period of three years. I hope that you will be able to accept this invitation.

Those selected as Visiting Associates are encouraged to visit IUCAA regularly and to actively participate in the Centre's programmes.

I am enclosing along with this letter of invitation (1) a copy of the letter I have sent to the Vice-Chancellor of your University, explaining the programme and requesting him/her to treat your visits to IUCAA under this programme as "on duty", (2) a copy of a letter sent in September 2, 2004 to the Vice-Chancellors of different universities by Professor Arun Nigavekar, the then Chairman of the University Grants Commission (UGC). You may use these letters when you apply for leave for visits to IUCAA, if you find that necessary.

I shall look forward to your response to this letter of invitation and hope that IUCAA will benefit from your regular visits, participation and advice. The Terms and Conditions of the Associateship Programme are enclosed along with this letter.

August 5, 2019.

The Vice-Chancellor,
Tezpur University,
Napaam, Sonitpur,
Tezpur - 784 028

Dear Sir / Madam,

As you are aware, the Inter-University Centre for Astronomy and Astrophysics (IUCAA) has been set up by the University Grants Commission (UGC) to promote and nucleate astronomy and astrophysics in the universities and affiliated colleges. To this end, IUCAA has launched a number of programmes on its campus at Pune and also on the campuses of various universities and colleges. In particular, arrangements have been made to facilitate the usage by interested students and faculty of universities and colleges of centralized facilities at Pune, such as an advanced Computer Centre with High Performance Computing facility, a state-of-the-art library, the Instrumentation Laboratory and observational facilities including the South African Large Telescope (SALT) at Sutherland. IUCAA is also involved in a number of large projects of national and international importance like ASTROSAT, LIGO-India, the Thirty Metre Telescope, etc.

One major activity in this context is the **Associateship Programme**. Under this programme, faculty members of universities and colleges, who are made **Visiting Associates of IUCAA**, can make visits to IUCAA for specified periods to participate in the teaching research and development activities in astronomy and astrophysics. For such purposes, the universities and colleges are encouraged to regard IUCAA as their field station, whose facilities are at their disposal. Indeed, Professor Arun Nigavekar, the then Chairman of the UGC, has written in 2004 to all the university Vice-Chancellors urging them to look upon IUCAA in this spirit and to make it possible for the Visiting Associates to use its facilities to the maximum extent possible. I enclose for your ready reference a copy of this letter from the Chairman.

As part of the Associateship Programme, IUCAA has selected 20 new Visiting Associates this year and has extended the term of 38 Visiting Associates for a further period of three years. I am happy to inform you that **Dr. Moon Moon Devi** from your University has been selected a Visiting Associate for three years from August 1, 2019. Under the Associateship Programme, IUCAA will pay the travel and per diem of the Visiting Associates coming to IUCAA for their scientific work.

I do hope that you will encourage Dr. Devi to take advantage of this offer. I request you to treat Dr. Devi's stay at IUCAA as a part of her duties and to provide her with leave as "on duty" so that she can make good use of her Associateship. I enclose the Terms and Conditions of the Associateship Programme for your information.

With kind regards,

Sincerely,

Kandaswamy Subramanian

September 2, 2004

Dear

The University Grants Commission has set up a number of Inter-University Centres and Consortia in order to provide front line research and developmental facilities to the staff and students from universities and colleges in selected thrust areas. It is extremely important, therefore, that the prospective users of the Inter-University Centres are freely permitted to participate in their various programmes as if they are "on duty". In some universities, it is noted that the scholars' visits were not considered as on duty.

Amongst such Centres, the Inter-University Centre for Astronomy and Astrophysics (IUCAA) has an Associateship programme under which selected Associates from universities and colleges are invited to visit IUCAA as Associates of the Centre. Each Associate has a tenure of three years, which can be renewed depending on his/her performance, in teaching, research and developmental activities. It is understood that during these three years, the Associate visits IUCAA several times for visits of at least two weeks duration at a time, without compromising with his/her lecturing and other duties in the parent institution. Their visits are fully covered by IUCAA and hence has no financial implication to the university/college.

IUCAA has a number of facilities like an excellent Library, state of the art Computer Centre, Virtual Observatory as well as an Instrumentation Laboratory where the university staff members can make their own instruments as well as participate in collaborative instrumentation projects. As of now, IUCAA has over eighty Associates on its roll. In order to improve their efficiency, it is important that they are permitted to take advantage of these facilities as much as possible.

I, therefore, urge you to facilitate the participation of Associates from your Institution in the above programme by treating their leave of absence as on duty when they visit IUCAA, which is specifically created by the University Grants Commission as a common facility for all universities.

With kind regards,

Yours sincerely,

(Arun Nigavekar)

TERMS AND CONDITIONS OF IUCAA's ASSOCIATESHIP PROGRAMME

- Visiting Associateship is awarded to a faculty member of a college, university department or institution, which has the status of a university recognized by the UGC.
- Visiting Associateship is awarded for a period of three years at a time. If a Visiting Associate ceases to have a formal link with a college or university during the period of an Associateship, then the Associateship stands terminated. Information regarding such a change should be conveyed to the Dean, Visitor Academic Programmes.
- A Visiting Associate can visit IUCAA a maximum of three times as an Associate during each academic year, which extends from August 1 to July 31. There has to be at least one visit during each academic year.
- A visit under the Visiting Associateship programme has to be preferably at least of 15 days duration. A maximum of 150 days can be spent at IUCAA during any one academic year.
- During the three year period of a Visiting Associateship, there can be a maximum of six visits, totally to a maximum of 365 days.
- **Travel:** It is expected that journeys will generally be by air or rail or road by the direct shortest route. All Visiting Associates are entitled to travel by train AC-II tier. Travel reimbursement will only be to the extent of the actual class of travel upto AC-II tier. The claimant will have to produce to and fro tickets/copies of tickets.

Limited funds are available for air travel of Visiting Associates. Air travel may be permitted subject to the following conditions:

- (a) Grade Pay of the claimant is at least Rs. 5400/- or equivalent per month.
- (b) The claimant stays at IUCAA for a minimum of 15 days.
- (c) Air travel should be by Air India flights only as per GOI rules.

Even when these conditions are satisfied, prior approval from the Dean, Visitor Academic Programmes will have to be obtained. Air travel over special sectors, especially in the North-Eastern parts of the country, may be permitted even when the conditions (a) and (b) are not met. Details about this may be had from the Administrative Officer (Visitor Services). The air travel will have to be by the shortest direct route. Those who are not eligible for air travel can choose to travel by air with the understanding that they will be reimbursed only to the extent of eligible train fare or actual air fare, whichever is lower.

- **Daily Allowance (DA):** Visiting Associates are paid DA @ Rs. 500/- per day with free lodging. Charges for Canteen, Cable TV and cooking gas, wherever applicable, will be recovered.
- **Acknowledgement :** Visiting Associates should not give IUCAA as their affiliation. But those who use the IUCAA facilities for research work leading to publications should acknowledge IUCAA in their publication.
- **Accommodation :** We try to ensure that Visiting Associates are accommodated whenever they wish to visit IUCAA. However, there is very high demand during vacations, when most visitors like to come to IUCAA. All intending visitors are, therefore, urged to write to us about their plans for a stay at IUCAA at least two months in advance. This is particularly necessary for family accommodation, since the number of units, which can accommodate families is very limited. Please write to us well in advance with alternative dates and await confirmation from us. You will be guaranteed accommodation on arrival at IUCAA only if you have a word of confirmation sent by us.
- **Visit by research students of Visiting Associates:** The students should write to the Dean, Visitor Academic Programmes, along with a copy of their bio-data, proposed plan of work at IUCAA, and a recommendation by the concerned Visiting Associate.

At a given time, only one student of a Visiting Associate can visit IUCAA. It is not essential for the guide/the concerned Visiting Associate to be present at the time of a student's visit, except for students who are visiting for the first time.

The DA entitlement for research students (registered for M. Phil/Ph.D.) is Rs. 250/- per day with free lodging, and canteen will be charged. They are entitled to travel by train by AC Chair Car or AC -III tier by the direct shortest route. Travel by AC-II tier will be permitted only if the trains on the shortest route do not have any of the above classes. The tickets/copies of the tickets will have to be submitted with the claim. Policy
Grantees of the International Conference 2020:
Borderland Futures: Technologies, Zones, Co-existences
25-27 June 2020
Seoul, South Korea

1. Your registration fee has been waived.
2. The Organising Committee of the Asian Borderlands conference 2020 will provide you with a grant of max. 800 Euro.
 - a) This grant may be used for the following expenses: travel to Seoul, insurance, visa, local travel and/or accommodation. We realise that the grant may not be enough to cover all of your costs. Unfortunately, we are only able to reimburse costs up to the grant amount.
 - b) You are requested to make your own travel arrangements. We would like to advise you to book your ticket soon, as prices are still reasonable now. Participants should also make their own hotel reservation. For accommodation suggestions, please see <https://asianborderlands.net/accommodation>
3. Reimbursement Procedure:
We will only reimburse economy class flights / second class ferry/train tickets.

Please note that it is important to keep all your receipts, because we are only able to reimburse these conference-related expenses. Secondly, if your expenditures exceed the grant amount, then you will be responsible for the additional cost.

If you stay with friends or family, the organising committee is unable to pay compensation costs for accommodation.

The conference-related expenses will be reimbursed by bank transfer. Please proceed to the following website for the Statement of Expenses form: https://hop.leidenuniv.nl/sap/bc/ui5_ui5/sap/yul_dec_appl/index.html?sap-client=400&sap-language=EN

The SAP (project) number of the conference, which you would need to include in the expenses form is: **3100008050**

If your expenses are higher than the grant amount, please include in the Amount field on the form the max. grant amount (instead of the actual costs). If you have a USD account or a GBP account, please include the amount in these currencies.

You can use for example <https://www.oanda.com/currency/converter/> for a currency converter.

4. In case you will not need the (full) grant, because you secured funding elsewhere for your expenses, please inform us. We could then give the grant to someone else who we can currently not provide with a grant.
