Dear Rajesh Kalarivayil,

We are glad to inform you that the Globelics Secretariat has raised funding from SIDA and Aalborg University to support your travel expenses in connection with your participation in the 14th Globelics Conference 2016 in Bandung, Indonesia.

You will find information on the amount granted at the end of this e-mail.

In total we received application for more than 165,000 € from scholars accepted for the conference which means that not all applications could be met. If you know that you do not plan to come to the conference please let us know ASAP so we can reallocate the grant reserved for your travel so someone else.

You should note that priority has been given to young scholars and scholars from Low and Lower Middle Income Countries.

When you book your ticket we recommend that you also look for tickets to Jakarta instead of Bandung. The local organisers will arrange shuttle service from Jakarta airport as well as Bandung airport and you will find that tickets to Jakarta in most cases will be less expensive and with shorter overall travel time compared to tickets to Bandung.

As a grantee, please note that:

- Your paper must have been accepted and presented in order to receive support.
- If your paper is with co-author(s), we can only give travel support to one presenting author.
- We do not grant travel support to applicants residing in the country where the conference is located.
- We do not support employees from Ministries and other government agencies (e.g. development banks).
- We can only support airplane ticket (thus not hotel, taxi, visa costs, food, etc.). **Please note: We only support low fare/economy class tickets.**
- The reimbursement procedure starts AFTER the conference. It is therefore NOT possible to receive cheque, cash or other forms of payment at the conference.
- We cannot refund costs larger than the amount you are granted.
- We cannot refund costs larger than the documented costs, which mean that we need original tickets and receipts AFTER the conference.
- The Globelics Secretariat can only provide travel support in terms of reimbursement of travel costs AFTER the conference: The Globelics secretariat cannot support in means of prepaid tickets.

Before the conference you will receive information on the reimbursement procedure and how to submit, upload AND POST YOUR ORIGINAL tickets/receipt and boarding passes/stubs.

You have been granted: 750 EUR of your documented costs as a contribution to cover the costs for your airplane ticket.

If you have any questions related to your grant for travel support, please write to the Globelics Secretariat at gro@business.aau.dk. Please write travel support under subject.

Best Regards,
Globelics Secretariat
Aalborg University
Denmark
