The report

Intellectual Property Day was celebrated in Tezpur University on April 26 under the flagship of TUIPR Cell with an array of programmes that were meant to focus on encouraging innovation and creativity. This year the theme of the celebrations was centered around "Reach for Gold: IP and Sports". Together with the annual IP competitions like quiz, best innovative idea competition and slogan writing competition, the IP Day was celebrated with an IP lecture series where deliberations were held on the latest innovations in various fields from the invited speakers. Deliberations from experienced industry executives like Asian Paints, Playin App Technologies limited, Panacea Medical Technologies Pvt. Ltd. and officials from institutions like Guwahati Medical College & Hospital, highlighted on how some of the home-grown technologies are finding acceptability and making their way not only in the Indian market replacing highly competitive MNC products, but are also being exported to other countries. One of the heart-warming examples was discussed after the presentation on physics of applying radiation therapy to cancer patients, which was on indigenous technologies developed in the form of "Bhabhatron -II" which is a Cobalt Therapy Machine made by BARC in collaboration with Board of Radiation and Isotope Technology & SAMEER and licensed to Panacea Medical Technologies, which shall replace the earlier imported Radiation Therapy Machines for treating Cancer Patients in many Govt. Hospitals due to its precision and effectiveness. This is believed to bring down the price of the treatment of cancer patients as these are manufactured with less than one-tenth of the price of the imported machine.

Similarly, the evolution of the Asian Paints from manufacturing mere exterior paints to creating paints that are weather proof, purifies indoor air, kills bacteria etc. took the participants through an interesting journey of self-evolution fueled by the zeal to remain market leaders. During the interactive sessions, the participants realized that remaining articulated and self-motivated is key to innovate constantly. One presentation on the perspective towards Sports and Robotics at Tezpur University by one of the inhouse faculty member showcased the AI capabilities of the University to the invited guests and the participants. Another presentation that was dedicated to the theme of the celebrations was from the app developer enterprise, Playin App Technologies, which showcased an integrated platform to connect all the sports related services and utilities through one mobile based application.

120 students from University and nearby colleges/institutes participated in the same

World IP Day 2019

Universally sports encompass - excellence, respect and fair play. This year, the World IP Day 2019 celebrations shall be centred on the theme "Reach for Gold: IP and Sports", where we shall try to understand how business relationships built on IP rights help to secure the economic value of sports. This, in turn, stimulates growth of the industry by enabling sporting organizations to finance the events we enjoy, and by providing the means to promote sports development at the grassroots.

Through various events like IP Day Lecture Series, IP Day Quiz, Slogan Writing and Best Innovative Idea Competitions, we plan to take a closer look inside the world of sports, where innovation, creativity and the IP rights are encouraging and protecting development of sports and its enjoyment around the world. The deliberations like IP Day Lecture Series shall not only try to celebrate the people innovating behind the scenes to boost sports' performance and its global appeal, but also try to understand how sports businesses use patents and designs to foster the development of new sports technologies, materials, training, and equipment to help improve athletic performance and engage fans worldwide.

We would also discuss some of the game-changing technological advances in robotics and artificial intelligence that are driving change in all sports fields.

Join us in celebrating the power of sports to engage and inspire, to innovate and unite us all in pushing the boundaries of human achievement.....

Date: 26th April, 2019 (Friday)
Time: 2:00 pm onwards
Venue: Council Hall
Participation is invited to teams of two.
Registration closes at 12:00 hours on 26th April 2019
E-mail: worldipday_quiz@tezu.ac.in

Slogan Writing Competition
Registration closes at 12:00 hours on 26th April 2019
Send your 1 entries a week.
Send entries to: worldipday_quiz@tezu.ac.in

Panel talks on various aspects of IP and Sports
from eminent persons

APRIL 26
REACH FOR GOLD
WORLD INTELLECTUAL PROPERTY DAY
2019
IP AND SPORTS

What you need to do for participating in Best Innovative Idea Competition:
Think of an idea that is new and technologically useful
Write down in a single A4 size paper within 500 words
Use Times New Roman, 12 font, 1.5 spacing for your expression
Registration closes at 12:00 hours on 26th April 2019
Send entries to: worldipday_quiz@tezu.ac.in
