Items for Approval (RC. 64/2018/1/2)

RC. 64/2018/1/2.1	Recognition of research Supervisor(s)/ Associate Supervisor(s)/ Co-supervisor(s)
Note	The following application(s) for recognition as research Supervisor(s)/co-supervisor(s) /Associate Supervisor(s) of T.U. have been forwarded and recommended by the Chairpersons of the concerned DRCs: Rules: [1] Any member of the regular faculty of the university having Ph.D. degree with at least three years of post-doctoral teaching / research experience supported by three peer-reviewed/ refereed publication including book chapters/ articles in research journals may be recommended by the DRC/CRC to be recognized as supervisor . However, all Professors will automatically be included in the list of recognized supervisors. Those teachers who acquire the requisite qualifications subsequent to their appointment shall express their willingness to supervise research by writing to the chairperson, RC through the chairperson DRC/CRC. 2) Any member of the faculty of the university having Ph.D. degree who has at least three peer-reviewed/refereed publications including book chapters/articles in research journals but may not have three years of post-doctoral teaching/research experience may be recommended by the DRC/CRC for recognition as Associate Supervisor . However, such a faculty member should have at least two years of teaching & research experience, or research experience. 3) Any member of the faculty/scientist from other recognized universities/institutes/organizations with requisite qualifications may be recognized as co-supervisor if the DRC/CRC recommends such a person for approval of the R.C, with justifications and with the CV of the person concerned. Any member of the faculty of Tezpur University who is eligible to become a supervisor may work as a co-supervisor.]

Discussion	The committee opined that the provision of Associate Supervisor is not in the UGC guidelines. It may arise complicity in future in claiming the guide ship by the faculty members. If a faculty member satisfies the criteria for recognition of Research Supervisor as per UGC guidelines, he / she should be allowed to act as a Research Supervisor from the date of recommendation by the concerned DRC. The matter be discussed in the next meeting of Academic Council. Such case of Associate Supervisor may be deferred till next meeting of the Academic Council.
