Dear Professor Karak,

I am delighted to inform you that you have been named the recipient of the Professor M. Santappa Award in Polymer Science of the year 2020. Your selection was made by a distinguished jury drawn from across the country from amongst several nominations received.

I wish to offer you my hearty congratulations on this well-deserved honor; the purpose of this award is to recognize outstanding researchers in the field of polymer science. I wish you continued success and even greater heights of accomplishment in the years to come.

The award carries a cash prize and citation. The award will be presented to you during the postponed MACRO meeting to be held in IIT, Guwahati. I would also request you to deliver an award lecture at this symposium. The symposium organizers will inform you of the date and time of the lecture.

With kind regards,

Yours sincerely,
