## • INTRODUCTION

### About Us

National Service Scheme, Tezpur University is committed to orient the Student youth to community service. Personality development through community service is the main motive of the NSS Cell of this University. It consists of 10 NSS Units where the Volunteers perform various activities to keep before them, their social responsibility and they are also oriented to work voluntarily for the problems of their society and to serve them in need. The NSS Cell of Tezpur University shines more in the context of Volunteering because they serve as an awareness mechanism for the society at large

### REGULAR ACTIVITIES:

NSS Volunteers undertake various programmes in the adopted villages, college/school campuses and urban slums during weekends or after college hours. Some of the Regular Activities are Plantation Campaign, Blood Donation Campaign, Cleanliness Drives, Survey of the Village/Area, Republic Day Celebrations, Health and Hygiene Awareness Programmes, Anti-Drug Abuse Campaigns, Independence Day Celebrations, etc.

## NATIONAL SERVICE SCHEME TEZPUR UNIVERSITY, ASSAM-784028

The Government of India is taking every visible effort to prevent teen drug use via the National Youth Anti-Drug Media Campaign, especially for those making the difficult transition from schools to colleges via their National-level Anti-Drug Policies.

In the light of this , the Tezpur University National Service Scheme cell has conducted a survey on Anti Drug Awareness under the able guidance of Program Coordinator Dr. Amiya Kumar Das. The survey was conducted on 21<sup>st</sup> January, 2018. The event had an overwhelming participation of 63 volunteers. In a view to Drug free lifestyle, various Anti Drug Awareness Campaigns are held every second or the third month. NSS Volunteers visit the Families door to door and assess if any family member is addicted to drugs along with some beneficial suggestions.

### Glimpses of the Anti Drug Awareness Programme:
