

ANTI DRUGS EVENT

Street play

The NSS unit of Tezpur University organized an Anti drugs event on 27th January, 2019 at around 6pm. This initiative was undertaken to make the students aware of the ill effects caused by the intake of drugs. The event was carried out through the medium of street play (held outside the university gate) by the volunteers of NSS, Tezpur University.

Around 150 students gathered to participate in the event, thereby making it a successful one. The volunteers also received much help and encouragement from the local residents. Everyone appreciated the efforts of the volunteers. The street play was performed in the vernacular language. Hence making it easier for almost everyone to understand what was being conveyed.

The event was huge success with everyone praising the efforts undertaken by the NSS volunteers to carry out the play for the spread of awareness among the people about the ill effects of the use of tobacco and tobacco related stuffs in their daily life.
