**Sub: Conducting Study on Child Marriage**

Sir,

Kindly recall our informal discussion on 23<sup>rd</sup> March 2019 held during the occasion of Assam Science Festival at your University, regarding collaborating with your university on the realms of child rights issues.

State Child Protection Society (SCPS), Assam is a registered Society under the aegis of the Department of Social Welfare, Government of Assam. The primary responsibility of SCPS is to roll out the National Flagship Programme of Government of India, namely the Child Protection Services (CPS) in the State. CPS aims at providing a holistic Child Protection Mechanism both at the Preventive and Rehabilitative aspect for Children in Need of Care and Protection and Children in Conflict with Law.

State Child Protection Society, Assam would like to request your support to conduct a study on Child Marriage through your esteemed University's Social Work Department. In this regard, I would like to request you to kindly accept our proposal.

Prof. C. Sarma  
HOD, Social Work
