Report on MoU between CSIR-Advanced Material and Processes Research Institute, New Delhi and Tezpur University, Napaam, Tezpur

The memorandum of understanding was signed between CSIR-Advanced Material and Processes Research Institute (AMPRI), New Delhi and Tezpur University (TU), Napaam, Tezpur on May 14, 2018. In the MoU, both the parties were mutually agreed to work towards joint research projects using leading research facilities developed/ to be developed at CSIR- AMPRI and TU in the area of Light weight materials, radiation shielding materials, hybrid wood composites, smart and functional materials, building materials etc. Due to COVID pandemic mutual activities couldn't perform during this period. We are hopeful to have activities in near future.
