Item No.	Agenda with notes
AC.37/2019/ 3/1.1	<p>Confirmation of the Minutes of the 36th meetings of the Academic Council held on 27th September 2019</p> <p>Note</p> <p>The minutes of the meeting of the Academic Council were circulated to all members for perusal and comments. No comment has been received.</p> <p>Submitted for perusal and consideration of confirmation of the minutes.</p>
Decision	Confirmed.
AC.37/2019/ 3/1.2	<p>Proposal for acceptance the Action Taken Report on the Minutes of the 36th meeting of the Academic Council held on 27th September. 2019</p> <p>Note</p> <p>Action Taken Report on the decisions of 36th meeting of the Academic Council is placed at Annexure -I, pp: 10-23.</p> <p>Submitted for perusal and consideration of acceptance.</p>
Discussion	<p>Controller of examinations reported the following:</p> <p>1.Resolution No. AC.36/2019/2/2.1: Revise Regulations on Academic Matters</p> <p>The committee constituted to revise the Regulations on Academic Matters has incorporated the corrections in the revised Regulations as suggested by the esteemed members in the meeting of the Academic Council held on 27.09.2019 and submitted it to the Vice Chancellor. The Vice Chancellor accordingly approved the Regulations.</p> <p>2. Resolution No. AC.36/2019/2/3.9: Regulations on Tezpur University Industry Research Centre (TUIRC)</p> <p>The Committee constituted by the Academic Council in its meeting held on 27.09.2019 fine tuned the Regulations on Tezpur University Research Centre (TUIRC) submitted by CIIE. The revised Regulations were then placed in the meeting of Board of Management held on 11.11.2019. The Board of Management approved the Regulations with a suggestion that the electricity bill be charged from the concerned Industry/Institutions on actual basis.</p>
Decision	Accepted with a suggestion that in addition to Private Companies Public sector companies also be included in the eligibility criteria of the Regulations on Tezpur University Industry Research Centre (IRC).
AC.37/2019/ 3/1.3	<p>Proposal for acceptance of the minutes of the 67th meeting of the Research Committee held on 28.10.2019</p> <p>Note</p> <p>The minutes of the 67th meeting of the Research Committee held on 28.10.2019 are placed at Annexure -II, pp: 24-35.</p> <p>Submitted for perusal and consideration of acceptance.</p>

Discussion	The Controller of Examinations reported that the Research Committee meeting held on 28.10.2019 revised the criteria of publication for recognition as supervisor. He also reported that the PhD students must publish atleast (a)one paper in refereed journal, and (b) two papers presentation in conference / seminar or one paper in conference and one paper in Journal or atleast three papers in refereed journals at the time of submission of thesis. It was also reported that the RC meeting revised the maximum period of submission of thesis from eight semesters to ten semesters in case of full time students with provision of extension of two semesters and from ten semesters to twelve semesters in case of part time students with the provision of extension of two semesters in exceptional cases.
Decision	Accepted with the following modifications: 1.For recognition of faculty member as supervisor the faculty member must have atleast three papers published in UGC - Care listed Journals in lieu of refereed/peer reviewed journals. This be implemented with immediate effect. 2. Ph. D student also must have atleast one paper published in UGC-Care listed journal, instead of only peer reviewed journal. This will be effective from the new batch of students to be admitted in Spring semester 2020.

Items for approval (AC.37/2019/ 3/2):

AC.37/2019/ 3/2.3 Note	Proposal of the Department of Mechanical Engineering for offering MOOCs and elective courses

The School Board, School of Engineering has recommended the following MOOCs and elective courses for the B. Tech and M. Tech in Mechanical Engineering programs in the next academic year:

Course Code	Course Title	Credit	
ME 625	Continuum Mechanics and Transport Phenomenon	3 credit	MOOCs
ME626	Turbulent Combustion: Theory and Modelling	3 credit	
ME451	Advanced concept of fluid Mechanics	3 credit	
ME453	Work System Design	3 credit	
ME457 CS677	Introduction to Machine Learning	3 credit	
ME459	Introduction to rocket propulsion	3 credit	
ME579	Advanced Foundry Technology	3 credit	Elective (for PG)
ME580	Advanced Metal Joining Technology	3 credit	
ME581	Advanced Metal Forming Technology	3 credit	
ME582	Heat Treatment Technology	3 credit	

Course details are placed at Annexure -IV (B), pp:95-123

Submitted for perusal and consideration of approval.

Decision

Approved with the following suggestions:

- (1) Course wise coordinator be assigned by the department for MOOCs courses to interact with the students and mentoring.
- (2) The code of the course "Introduction to Machine Learning" be corrected as CS677 instead of ME457.
