Community Hall

The community hall serves as an open auditorium for events that need large gatherings and audience. The hall has an open seating space and does not have a fixed seating arrangement so that chairs can be arranged and removed as per the requirement of the event.

The hall is equipped with lighting facilities and open area where the audience can sit and view plays, concerts and other events. Since the hall is situated next to the large sports ground of the university, one can create more side space, so that it becomes bigger and broader depending on the need of the event.

Participation outside university campus and training program:

Students are always encouraged to participate in inter-district, interstate, inter-institutional, national and international tournaments including those conducted by AIU. Every year students have participated in the east zone and inter zonal inter-university tournaments. They have also represented the State of Assam in many national tournaments and participated in state and district level tournaments and won many medals for the university. Tezpur University has many outdoor and indoor sports facilities (Annexure -I). Assistant Director of Physical Education, Sports Officer, one gym instructor, one cricket coach, two swimming coaches provide guidance and supervision for proper use of these facilities.

For maintenance of sports facilities:

For the maintenance of outdoor sporting facilities two grounds men are deployed. For cutting grass in the playfield, sports office has three numbers of lawn movers and for watering we have an underground water pump in the desired location.

For gymnasium, indoor and sports office we have one cleaner. For maintenance of swimming pool, we have two cleaners and two machine operators during the season.

User's Fee and timetable:

For maintenance of the facilities university charges some amount from the users. For the swimming pool, we have one management committee for maintenance and this committee decides the fee structure of the users accordingly for students, staff, their family members and outsiders separately and revises the fee from time to time.

For the users for gymnasium and mini-indoor no fees is levied from the students. Only faculty and non-teaching staff have to pay the fees. The remaining sports facilities are not chargeable for all the groups. For using swimming pool, mini-indoor hall and gymnasium, separate timetables are prepared for men and women.
