This is subject to confirmation by ASCE and amendment due to future Subscription purchases or cancellations. Please indicate your current journal and other content subscriptions by marking the appropriate boxes in Appendix A of this Agreement.

### TERMS and CONDITIONS

#### 2. License and Authorized Site/Users

Upon payment of the License Fee as set forth in the accompanying Invoice, and subject to Subscriber's compliance with the terms and conditions of this Agreement, ASCE grants to the Subscriber and Authorized Users at the Subscriber's Authorized Site a nonexclusive, revocable, and nontransferable license to access ASCE Licensed Materials for which the Subscriber maintains a current subscription to online version thereof.

For purposes of this Agreement, an "Authorized Site" is a localized site (one geographical location) that is under a single administration. For an organization with locations in more than one city, each city is considered to be a different site. For an organization that has multiple locations in the same city that are administered independently, each location is considered to be a different site. No access from remote campuses or remote sites and no consortia or other forms of subscription sharing are allowed under this Agreement. (If you are seeking online access for multiple sites, please contact ASCE Customer Service at [ascelibrary@asce.org](mailto:ascelibrary@asce.org) or phone 1-703-295-6300 and complete the Multi-Site User License Amendment.)

"Authorized Users" means only the employees, faculty, staff, and students officially affiliated with the Subscriber at the Authorized Site, and persons with legal access to the library's collections and facilities at the Authorized Site, using an IP address within the range identified in Appendix B of this Agreement. Authorized Users may be persons remote from the Subscriber's physical location whose access is administered

from the Authorized Site, but not persons at remote sites or campuses with separate administrations.

The Subscriber will exercise reasonable vigilance and shall be responsible for all access control and security measures necessary to ensure that the Subscriber's IP addresses are not used to access the Licensed Materials by other than Authorized Users. The Subscriber warrants and represents that common and reasonable methods will be used to inform Authorized Users of general terms and conditions for the use of online information products that are consistent with this Agreement. Furthermore, the Subscriber will make every attempt to enforce the terms of this Agreement upon receiving information from ASCE or any other source that reasonably indicates that one or more Authorized Users is in violation of the terms of this Agreement.

#### 3. IP Addresses

Authorized Users will be recognized and authorized by the Subscribing Institution's Internet Protocol address (IP address). IP addresses and/or address ranges for the Subscribing Institution are indicated in Appendix B.

#### 4. Permitted Use

The Subscriber and Authorized Users are permitted online access to the Licensed Materials indicated in Appendix A, and may download, save, or print text, search results, or other information from the Licensed Materials solely for the private use or research of the Subscriber and the Authorized Users. The Subscriber and Authorized Users may only use

this online access in a way that conforms with all applicable laws and regulations.

ASCE grants the Subscriber and Authorized Users permission for brief quotations from the content included in the Licensed Materials with the customary acknowledgment of the source, and to copy and transmit content from individual articles, papers, and/or book chapters in "person-to-person" and non-systematic scholarly exchanges of information between Authorized Users and specific individuals.

The Subscriber may supply a copy of an article, paper, or book chapter (i.e. Interlibrary Loan) to a non-subscriber or non-subscribing institution only under the following conditions: ASCE-prepared electronic files may not be transmitted in their original digital form to any other institution or to a non-Authorized user. A hard copy printed from the electronic files of the Licensed Materials may be supplied to another institution by mail or fax or secure transmission using Ariel or its equivalent, whereby the electronic file is deleted immediately after printing, provided the institution is not-for-profit and within the same country as the Subscriber. The supply of such copies must conform to CONTU guidelines or similar restrictions to 'fair use' provisions under copyright law.

Faculty at the Subscriber's institution may include articles, papers, and/or book chapters, but not entire full-length journals, books, or standards, from the Licensed Materials in anthologies (coursepacks) in print or digital form for distribution to Authorized Users for their use in connections with classroom instruction or in reserves (print or digital) set up by the Subscribing Institution for access by Authorized Users in connection with specific courses. Copies of items in digital form which are included in online coursepacks or reserves will be deleted by the Subscriber after the end of the semester in which the related course concludes.

The Subscriber specifically agrees that use by the Subscriber or Authorized Users other than indicated above is a violation of the terms of this Agreement. Any other use of the Licensed Materials requires the written permission of the copyright holder.

#### 5. Prohibitions on Certain Uses

The Subscriber shall not knowingly permit anyone other than Authorized Users to use the Licensed Materials. Altering, recompiling, reselling, publishing or republishing (beyond the brief quotations permitted under Section 4) of any text, output, search results, or other information from the Licensed Materials, or any portion thereof, including without limitation, copyright, proprietary and/or other legal notices contained therein, in any form or medium is prohibited.

Systematic or programmatic downloading, printing, transmitting, or copying of the Licensed Materials is prohibited. "Systematic or Programmatic" means downloading, printing, transmitting, or copying activity of which the intent or the effect is to capture, reproduce, or transfer the entire output of a journal volume, a journal issue, a journal topical section, proceedings volume, book, or a substantial portion thereof; or sequential or cumulative search results; or collection of abstracts, articles, papers, book chapters, or tables of contents. Other such systematic or programmatic use of the Licensed Material that interferes with the access of Authorized Users or that may affect the performance of the ASCE Library, for example, the use of "robots" to index content, or downloading or attempting to download large amounts of material in a short period of time, is prohibited. Redistribution of the Licensed Material, except as permitted in Section 4, without permission by ASCE and/or payment of royalty to ASCE or to the appropriate Reproduction Rights Organization, is prohibited.

All rights not expressly granted herein are reserved to ASCE. The Subscriber and Authorized Users may not circumvent ASCE's access control systems or use ASCE's systems or services to make any attempt to gain unauthorized access to any other system or network.

ASCE shall not be required to distribute, and Subscriber shall not redistribute any Licensed Materials included therein to a country where the export thereof is prohibited by U.S. law or regulation.

#### 6. Duration of Agreement

This Agreement will become effective on receipt by ASCE of the Agreement signed by an authorized agent of the Subscriber, and, subject to the terms and conditions of this Agreement, will remain in effect while the Subscriber maintains a current paid subscription to Licensed

Materials or unless earlier terminated by either party as provided herein. This Agreement will terminate:

- a) Subject to (b.) and (c.) below, if the subscription lapses (termination is effective at the end of the paid subscription period).
- b) Either party may terminate this Agreement in the event of a material breach of this Agreement by the other party, which breach is not cured within thirty (30) days of receipt of written notice of the breach from the non-breaching party. The foregoing notwithstanding, ASCE reserves the right to suspend access to the service immediately upon detecting a breach of this Agreement by Subscriber. ASCE will use reasonable efforts to notify the Subscriber as soon as possible, usually within three (3) days of any such suspension of service, by sending an e-mail to the address supplied in Section 1.
- c) Following written notice by ASCE of any change in the terms of this Agreement, Subscriber may terminate this Agreement by notice to ASCE in writing, or by e-mail or by fax, that the Subscriber does not accept such change or changes; provided that such notice must be received by ASCE within thirty (30) days of Subscriber's receipt of the notice of change. (In the absence of any such objection by Subscriber within the thirty (30) day period, ASCE's new terms shall apply.) This Agreement shall renew automatically for the term of any subscription upon receipt by ASCE of payment for that subscription.

#### 7. Copyright

Licensee acknowledges and agrees that all Licensed Materials, including abstracts, are copyrighted by ASCE. The Licensed Materials are subject to all applicable copyright, database protection and other rights of ASCE under the laws of the United States and other countries. Copyright notices in the Licensed Materials may not be removed, obscured, or modified in any way. Unauthorized copying or redistribution of any Licensed Material is a violation of copyright laws.

#### 8. Failure of Performance

Following online access approval, the Subscriber and Authorized Users will be permitted to attempt online access to the Licensed Materials at any time. ASCE, however, will not be liable for any delay, downtime, transmission error, software or equipment incompatibilities, force majeure or other failure of performance. ASCE will use commercially reasonable efforts to correct any material performance problem brought to its attention and may suspend performance pending such corrections.

#### 9. Official Version of Record

ASCE will use commercially reasonable efforts to ensure that the online versions of the journals, proceedings, and books correspond in content with the print versions, but ASCE does not guarantee that they do. In the event of any discrepancy between the print and online versions, the print version will be the official version of record.

#### 10. Usage Rights of Lapsed Journals Subscribers

ASCE will use reasonable efforts to retain in an archive all electronic information published by the American Society of Civil Engineers. Upon lapse of subscription, no additional service is provided. The Subscriber will be given the option to purchase a physical archive copy, for example a DVD-ROM, of journals content published during the term for which a paid subscription was maintained. The Subscriber will be permitted to copy that content from the physical archive copy to the institution's information systems and redistribute that content to Authorized Users within the Authorized Site. Any hardware or software required to distribute content from the archive copy will be the responsibility of the Subscriber. The definitions of Authorized Site, Authorized Users, and allowed and prohibited uses as provided in this Agreement shall otherwise apply to the use of the archive copy. Lost or damaged physical archive copies will be replaced with copies in the then-current format for a reasonable fee; otherwise, back issue physical copies in the then-current format will be made available at the then-current pricing schedule.

**11. Disclaimer of Warranties; Limitation of Liability; Indemnification**

ASCE warrants that it is entitled to grant the licenses granted in this Agreement. EXCEPT AS SET FORTH IN THE PRECEDING SENTENCE, ASCE MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE LICENSED MATERIAL, INCLUDING ITS QUALITY, ORIGINALITY, SUITABILITY, SEARCHABILITY, OPERATION, PERFORMANCE, COMPLIANCE WITH ANY COMPUTATIONAL PROCESS, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE LICENSED MATERIALS ARE LICENSED AND PROVIDED TO SUBSCRIBER ON AN "AS IS" BASIS.

ASCE SHALL NOT BE LIABLE FOR: EXEMPLARY, SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGES, ARISING OUT OF OR IN CONNECTION WITH THE SUBSCRIPTION OR LICENSES GRANTED HEREUNDER, THE USE OR INABILITY TO USE ANY ASCE ONLINE JOURNAL, PROCEEDINGS, OR BOOK, ASCE'S PERFORMANCE UNDER THIS LICENSE. TERMINATION OF THIS AGREEMENT BY ASCE OR THE LOSS OF DATA, BUSINESS OR GOODWILL, EVEN IF ASCE IS ADVISED OR AWARE OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL THE TOTAL AGGREGATE LIABILITY OF ASCE FOR ANY CLAIMS, LOSSES OR DAMAGES ARISING OUT OF ANY BREACH OR TERMINATION OF THIS LICENSE EXCEED THE TOTAL AMOUNT PAID BY THE SUBSCRIBER TO ASCE FOR THE LICENSED MATERIAL, BUT NOT LESS THAN THIRTY DOLLARS (\$30.00), FOR THE CURRENT SUBSCRIPTION YEAR IN WHICH SUCH CLAIM, LOSS OR DAMAGE OCCURRED, WHETHER IN CONTRACT, TORT, OR OTHERWISE, INCLUDING WITHOUT LIMITATION DUE TO NEGLIGENCE. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. No claim may be made against ASCE unless suit is filed thereon within one (1) year after the event giving rise to the claim.

The Subscriber assumes sole responsibility for all use of the Licensed Materials by the Subscriber and by each Authorized User. In the event of a breach of this Agreement by the Subscriber or Authorized Users, the Subscriber agrees to indemnify and hold ASCE harmless from and against any and all claims, liabilities, damages, expenses (including attorneys' fees and experts' costs, penalties and fees, if any, for the enforcement of this Agreement and otherwise for ASCE's defense of indemnified claims), losses and threatened losses arising from, or in connection with, that breach, including without limitation, claims of unauthorized use.

**12. General**

This Agreement constitutes the entire agreement between the parties and supersedes any prior communication between the parties with respect to the subject matter hereof. The headings used in this Agreement are for convenience only and are not to be considered in construing the terms of this License. Subject to termination under Section 6, this Agreement may be amended only by consent (via mail, email, or fax) of both parties. If ASCE sends notice to the Subscriber of changes in the terms of this Agreement, lack of response by the Subscriber within a thirty (30) day period will be taken as acceptance of the new terms. Subscriber may not make any changes to this Agreement without written consent by ASCE.

The Subscriber must pay any taxes (including but not limited to any applicable Value Added Taxes, Sales Taxes, and Import Taxes) other than taxes on ASCE's net income, arising out of the Subscriber's use of the Licensed Materials and/or the rights granted under this Agreement.

The Subscriber may not assign or transfer its rights under this Agreement. The provisions of Sections 2, 4, 5, 7, 9, 10, 11, and 12 hereof shall survive any expiration or termination of this License.

This License will be governed by, and construed in accordance with, the laws of the Commonwealth of Virginia, applicable to contracts entered into and fully performed in the Commonwealth of Virginia. Any action arising out of, or relating to, this Agreement or any of the Licensed Material shall be brought in courts situated in Fairfax County, Virginia and the parties consent to the jurisdiction of such courts.

## Licence and Support Agreement

Agreement Number: 13632/2015/1

THIS AGREEMENT is made on 16/09/2015

### BETWEEN

**The Cambridge Crystallographic Data Centre** (a company limited by guarantee and registered in England and Wales with company number 2155347, registered charity number 800579) of 12 Union Road, Cambridge CB2 1EZ, UK (**Licensor**) **AND**

Tezpur University of Central Library, Napaam, Tezpur, Assam 784028, India (**Licensee**)

This agreement grants the Licensee a non-exclusive licence to use any software products, databases, and associated documentation and other resources, supplied by the Licensor or its subsidiary, CCDC Software Limited (a company registered in England and Wales with company number 03483374), subject to the following terms and conditions, to the exclusion of all other terms and conditions specified by the Licensee or implied by law.

1. In the case of purchase, usage shall be restricted to a named product or product suite, to a number of copies or processes or otherwise specified level of usage, and to a time period, which will be specified on a formal quotation supplied by the Licensor or a duly appointed agent. Fees payable will also be specified thereon. Agreement to make payment under the terms on the quotation shall be signified by the provision of a formal purchase order referencing this Agreement and the quotation, or by the return of a signed copy of the quotation or such other unambiguous evidence as may be agreed between the parties that confirms the Licensee's acceptance of the terms of this Agreement and the quotation. All sums becoming due to Licensor under this Agreement: (i) are, unless otherwise expressly stated, exclusive of any Value Added Tax, which Licensee shall pay in addition if Licensor is obliged by law to charge it; and (ii) shall be paid by Licensee in full without any set-off, withholding or other deduction whatsoever (and in the case that any deduction or withholding is required by law Licensee shall gross up the amount due to Licensor such that, after the deduction or withholding has been made, Licensor still receives the full amount due to it).
2. Usage shall be restricted to the geographical sites specified on the quotation, and to permanent or temporary employees of and contractors working on behalf of the Licensee who are normally based at those sites, or any employees of regulatory authorities to whom the Licensee is subject. If the Licensee is an academic institution, this includes postgraduate or undergraduate students permanently or temporarily working at those geographical sites. Use on laptops and other mobile devices is permitted provided that the device is the property of the Licensee, or is a device over which the Licensee takes responsibility in the context of this Licence Agreement. Access to associated internet resources is permitted from any location and device through access control mechanisms to be stipulated by and managed by the Licensor.
3. The Licensee shall not sub-lease or assign use of the products to any third party, or in any way (physically or online) redistribute or promulgate the products or any of their contents (including data and documentation) without the written and signed agreement of the Licensor. The production of copies for internal distribution and for back-up purposes is permitted.
4. The Licensee may use the products for any and all scientific research purposes, for publishable or proprietary work, and in any collaboration which does not involve payment of fees between the partners, provided that the restrictions in (2) above are complied with. Usage on behalf of paying clients and partners is permitted by industrial / commercial organisations provided that it does not amount to a "bureau" service, i.e. provision of bare results of Licensor product usage. Usage on behalf of paying clients and partners by academic and governmental institutions requires a separate agreement with the Licensor, which may involve payment of extra fees.
5. The products will be referenced and acknowledged by the Licensee in any publications which arise from their use. The Licensor will provide relevant information for the products concerned on application.
6. The Licensee shall not translate, disassemble, decompile or in any other manner reverse engineer any of the products, except to the extent that such acts may not lawfully be prohibited. However, the Licensee may modify the products or develop software systems for its own use including the products or links to the products, or including data and knowledge derived from the products, and may use them for as long as fees have been paid to cover usage of the relevant products as described in (1). External distribution of

such systems or modifications requires a separate signed agreement with the Licensor, which may involve payment of extra fees.

7. The Licensor does not warrant that the products will be entirely free of errors and bugs. The Licensee will report such errors and bugs as they become apparent, whereupon the Licensor will make all reasonable efforts to correct errors and fix bugs. The Licensee agrees that the Licensor and its appointed agents exclude all indirect and consequential loss incurred through use or misuse of the products. The Licensor's liability to the Licensee shall be limited to direct losses only and the Licensor's maximum aggregate liability to the Licensee shall in no circumstances exceed the fees paid to the Licensor by the Licensee. Neither party excludes or limits its liability to the other in negligence in respect of death or personal injury or otherwise insofar as any exclusion or limitation of its liability is void, prohibited or unenforceable by applicable law.
8. Technical and scientific support will be provided to the Licensee through appropriate mechanisms and at a level appropriate to the products concerned, as deemed by the Licensor. The Licensor will consider entering into separate confidentiality agreements with the Licensee to facilitate support or collaborative work, where appropriate.
9. The Licensor may from time to time provide updated versions of the products to the Licensee. Suitable notice (usually six months) will be given in the event of changes which are likely to substantially affect the Licensee's use of the products, for example, platform support or data format changes.
10. The Licensor may from time to time, at its discretion, permit usage of products by the Licensee for a limited period of time at no charge for the purposes of evaluation with a view to purchase. On these occasions, all terms of this agreement apply as they stand except for the following variations, namely: (a) clauses (1) and (4) shall not apply; (b) the cap on the Licensor's liability in clause (7) shall be reduced to £100; and (c) the use of products in paid work for clients is not permitted.
11. Notice of termination of this agreement may be given at any time in writing by the Licensee, that termination becoming effective at the end of the paid period for any then-current products as defined in (1), with no refund of fees paid. Notice of termination of this agreement may be given at any time in writing by the Licensor, in the case of breach of any of the terms and conditions herein, that termination becoming effective immediately with no refund of fees paid. In either case, all copies of the products and any derived data or products held by the Licensee will be destroyed or finally deleted within one month of the termination becoming effective, with the Licensor notified of this in writing. Otherwise this agreement remains in place until superseded or amended. Any sub-licensed software provided as part of a product or product suite may be withdrawn at any time if the Licensor's right to distribute it is terminated.
12. In all cases, copyright in the products and other intellectual property rights remain vested in the Licensor or its licensors. In the case of derived products for external distribution, the matter of ownership and use of any new intellectual property in such derived products will be subject to negotiation between the Licensee and Licensor, for agreement as described in (6).
13. This agreement supersedes all previous agreements between the Licensee and its predecessor and subsidiary companies, and the Licensor and its subsidiary companies and agents. No person who is not a party to this Agreement shall have any rights to enforce or enjoy the benefits of this Agreement whether under the Contracts (Rights of Third parties) Act 1999 or otherwise. The Licensee shall not without the Licensor's prior written consent assign any of the Licensee's rights and obligations under this Agreement.
14. Interpretation of this agreement shall be subject to the laws of England and Wales. Disputes may be handled by another jurisdiction, if mutually acceptable to both parties.
