Meeting of the Committee constituted for implementation of robust integrated online teaching learning system held on 29.06.2020 in the Department of CSE

Members present:

1. Prof. D. K. Bhattacharya - Chairman
2. Prof. Nityananda Sarma
3. Prof. M. K. Sarma
4. Prof. Debabrata Das
5. Prof. Sarat Saharia
6. Prof. Manuj K. Hazarika
7. Mr. Dhiraj Sharma
8. Prof. S.S. Sarkar
9. Prof. N. Deka Baruah (online)
10. Prof. D. C. Baruah
11. Dr. L. Boral

The committee perused the feedback received from faculty members through e-mail about the free apps/software for online delivery of course content and conduct of examinations. The suggested apps /software are:

- a) Google meet
- b) G-Suit Bodhi Tree developed by IIT. However its review to be checked.
- c) SAFE-Software

The committee discussed the short term and long-term steps suggested by Prof. M. K. Sarma, Director, TLC to be taken for continuing teaching learning process in distance mode in view of present situation of Covid-19 pandemic. Prof. Debabrata Das explained about significance of LMS to the members.

After thorough deliberations the committee resolved the following:

1. Google Suit may be introduced immediately for online delivery of course content and conduct of examinations. Prof. Nityananda Sarma is requested to provide details of procedure to be followed for implementation of the Google -suit and Prof. M.K Hazarika is requested to explore the possibility of deployment of Moodle in larger extent.
2. University is requested to provide necessary accessories such as Webcam and Microphone to each faculty member to facilitate recording as an immediate step for introducing LMS.
3. Screencastomatic software deluxe version with multiuser license for recording may be procured for a period of at least one year. The cost of the software for 100 user licenses is 900 USD per annum. The committee recommend procurement of 100 user license which will be divided school wise. The Computer Centre will take necessary steps for procurement of the software in most effective way in consultation of TLC.
4. E-content prepared by faculty members shall be stored in cloud supported by Google-Suit. This e-content prepared by the faculty members will be accessible to registered students only.

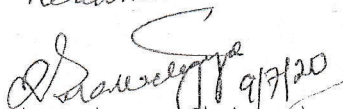

M. K. Sarma

N. Deka Baruah

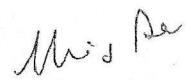

S. S. Sarkar

5. An audio-video recording facility may be kept under the control of TLC. In the long run, facility for live streaming of traditional lecture from each real smart classroom should also be made. This will help the University in overcoming the space problem also. *
6. In the long run each Department may be provided studio like facility for audio-video recording.
7. The Committee recommends replacement/upgradation of the PC/laptop for each faculty.

* A budgetary estimate of Rs 1,55,55,000/- prepared by Computer Centre is enclosed herewith.

(Prof. D. K. Bhattacharya - Chairman)
