Report on Seminar/Conference/Workshop conducted

Title: Webinar on Career Opportunities in Childcare and protection
Date(s): 8th November 2020
Resource Person: Ullas P Scaria, State Coordinator at Bachpan Bachao Andolan
Participant's Profile: All the interested student of School of Humanities & Social Sciences, Tezpur University
Description about the Program: This webinar was conducted mainly for the benefit of the Students of School of Humanities of Social Science. The main objective of the webinar was to have a better understanding about the Career Opportunities in Childcare and protection. Mr.Ullas P Scaria explained that Careers in child protection can range from case practice support workers through to expert practice leaders. This career will benefit from professional development, education and on the job training. Students opting this career will be well supported as your decisions that benefit the lives of children and families. He also informed that if a person is passionate about making a difference to the lives of children, then the career in child protection is for them. While there is need for therapy-based skills, a great deal of case work involves statutory investigation, analysis, and critical thinking. He also informed the group that "You'll find it challenging, rewarding, and always changing. You'll work with a diverse group of people who share a common goal and be well supported to make decisions that benefit the lives of children and families." He also discussed that the careers in child protection can range from Case Practice Support Workers through to Expert Practice Leaders. A total of 65 students have participated in the session. This session was ended with a formal vote of thanks by Deena Davy, Training & Placement Officer.
Feedback: In the question answer session, students have actively participated in the discussion and the resource person explained all the queries of the students.

Get into the world of analytics and data science

A webinar was conducted on the topic “Get into the world of analytics and data science”. on 12th September 2020 by our Tezpur University alumnus Mr. Prakash Gupta, Data Scientist, Tesco Bengaluru. 66 students participated in webinar. Most of the students asked him about how to face interview as a fresher in the role of Business Analytics. He explained about the importance of Algorithm and Data structure in IT Technical interviews. Many students asked him how to reply to HR questions in interview. Moreover he highlighted the importance of certifications from coursera and other networking certifications like CCNA . He motivated other non -circuit branches to get into Data analytics. Overall it was highly informative session.

A webinar on “Career in Data science” was held on 01st Oct. 2020 ,by an Alumnus of BTech CSE 2015, Mr Bikram Kachari.

Introduction to Powergrid and HVDC Technology

Mr M J Baishya, Manager Powergrid delivered a talk on " Introduction to PowerGrid and HVDC Technology" through a webinar on 28th January 2021 .

10 students participated in the webinar session. The presentation was very interesting from Electrical point of view. He explained about HVDC at length, including the role of Engineers as a fresher in PowerGrid. Many Practical technical questions and power system concepts were discussed for the benefit of the students. He urged the students to go for frequent Industrial visits for updating their power system infrastructure knowledge. Overall the participants expressed that the webinar was very interesting.

Report on Seminar/Conference/Workshop conducted

Title: "Crafting Career in Life Sciences" workshop (Webinar)
Date(s): 11th January 2021
Resource Person: Dr. Yugandhar Reddy is the Senior Research Scientist at Hindustan Unilever Ltd
Participant's Profile: All the interested student Department of Molecular Biology and Biotechnology
Description about the Program: This webinar was aimed to equip Life Sciences students with basic skills and knowledge to select a career path. This session was conducted mainly for the benefit of the Students of Department of Molecular Biology and Biotechnology. Dr. Yugandhar Reddy informed the group that employment opportunities are present in both the public and private sectors. Jobs in government research institutes of Life Sciences are viewed as highly prestigious profiles. The career opportunities are directed completely based on academic knowledge and experience. The field offers limited job openings and employs highly skilled and qualified individuals. There is excessive competition amongst the candidates and only the best amongst the best is chosen. He also narrated about the salaries of employed individuals and informed that it varies based on their academic qualifications and knowledge about the subject. For beginners in the field of research and science, the annual pay begins from 200,000 INR and for the experienced scientists, it is as high as 15,00,000 INR. He also informed that Biotechnology, innovations in medical sciences and genetic engineering are leading branches in Life Sciences. Several research institutes and companies have been set up that hire qualified intellectuals in this field. A total of 24 students have participated in the session. This session was ended with a formal vote of thanks by Deena Davy, Training & Placement Officer.
Feedback: In the question answer session, students have actively participated in the discussion and the resource person explained all the queries of the students.

At personal level I have never been able to get much time with myself before covid 19 but during this pandemic days I have realised myself which helped me to identify my passion and clear idea of my goals. At group level we are more shifted towards moocs and online learning which helped us to get access the knowledge from each and every corner of the world.

Report on Seminar/Conference/Workshop conducted

Title: Alumni Talk on How to lead yourself powerfully during this Covid?
Date(s): 29th August 2020
Resource Person: Priyanka Dutta, Trainer & Alumna, Department of Business Administration (MBA-2005)
Participant's Profile: All the interested student of Tezpur University
Description about the Program: This webinar was aimed to motivate the students and equip them to lead themselves powerfully during this Covid crisis. As Priyanka Dutta is our MBA alumna, the session was semi-formal and students listened to her carefully and she explained her life journey how she transformed from a MBA graduate to a Trainer. She began her presentation with some questions regarding the crisis which students faced and how they overcame it. She informed the participants that When leading through a crisis, most of us are forced to think and behave in ways that feel unfamiliar. Whether it's a technological, financial, natural, or health crisis at work or in the community or in the home crises demand that everyone take an emergency response plan and adapt it as new evidence and factors present themselves. She also explained How to Lead in a Crisis and she put forward 4 Ways to Stay Cool which were Think about today, Focus on the positive, Get grounded, Prioritize and focus. A total of 41 students have participated in the session. This session was ended with a formal vote of thanks by Deena Davy, Training & Placement Officer.
Feedback: In the question answer session, students have actively participated in the discussion and the resource person explained all the queries of the students.
