

Report on Restoration & Cleaning of Kalia Bhomora Stone Inscription and the Area

The Department of Business Administration with the help of students of the Master of Tourism and Travel Management (MTTM) programme have been coordinating with District Administration in restoring and cleaning the Kalia Bhomora Stone inscription from 2017 to till lock down. Some of the highlights are:

- The students of the Department cleaned the Area and put a sign-board near Kalia Bhomora Bridge in both English and Assamese languages about the Inscription with the help of scholars.
- Department was also cleaning the age old Inscription with the help of Expert.
- The student of the Department was cleaning the area every fifteen days of intervals till lock down.
