Decision	Accepted.

Items for approval (AC.30/2017/ 3/ 2)

AC.30/2017/ 3/2.1	Introduction of Open Electives as an alternative of CBCT (Choice Based Credit Transfer) Courses w.e.f. the Spring Semester, 2018
Note	The meeting of the Deans and Heads of the Departments in its meeting held on 2.8.2017 noted that the number of CBCT courses offered for registration of the students as Choice Based Credit Transfer courses was not adequate. So, the students were not able to register on the courses of their choice. A committee was constituted with Prof. D.K. Saikia as Chairman to review the registration system of CBCT courses and recommend an alternative of the CBCT. The Committee recommended replacement of the terminology of CBCT by Open Elective courses following the Choice Based Credit System (CBCS) of the UGC guidelines. The Guidelines on Open Elective courses submitted by the committee as alternative of the CBCT is placed at Annexure- II, pp 12-17. The Open Elective courses will be introduced in the course curriculum w.e.f the Spring Semester, 2018. Submitted for your kind perusal and consideration of approval.
Decision	Approved with the following suggestions: (i) If a core or Discipline Specific elective course is offered as an Open Elective course then the course for the students other than the offering Departments may be treated as Open elective (Generic). (ii) Any difficulty for implementation may be brought to the next meeting of the Academic Council.

/2017/ 3/2.2	<p>Proposal for introduction of LLM programme by the Department of Law</p> <p>The School Board, School of HSS has recommended the proposal of the Department of Law for introduction of the Master of Laws (LLM) programme w.e.f the Academic session 2018-19.</p> <p>Credit requirement for award of the Degree : 70 Proposed Intake : 20 Eligibility criteria for admission: Bachelor's degree in Law with a minimum of 50% marks (relaxation to reserved categories as per TU rules).</p> <p>The Board has also recommended the syllabus of the course LW415 Human Rights issues and Laws (3-0-0, Cr 3) to be offered by the Department of Law as Open elective.</p> <p>The syllabi of the courses have been vetted by the subject experts and their suggestions have been incorporated in the syllabi by the Department. (Annexure- III, pp 18-75)</p> <p>Submitted for perusal and consideration of approval.</p>
Decision	<p>Approved with the following suggestions:</p> <p>(i) Course LW521 Pedagogy in Law be assigned with L- T- P- CH- Cr structure (ii) The dissertation of the students should focus on road society, nature of crime, Socio-Economic Offense of rural area etc. (iii) Episode telecast on Indian Constitution at the Lok Sabha Channel may be looked upon to incorporate some of its components in the syllabus.</p>
AC.30/2017/ 3/2.3 Note	<p>Revised course structure of M.Tech in Civil Engineering programme</p> <p>The School Board, School of Engineering has recommended the proposal of the department of Civil Engineering for starting M. Tech in Civil Engineering programme with Specialization in Geotechnical Engineering w.e.f. the Academic Session 2018-19. The Department has modified the syllabi of the programme approved by the 27th meeting of the Academic Council held on 21st December, 2016 in view of introduction of Open elective courses. Initially only 9 students will be admitted.</p> <p>The Department also proposed to offer the following courses as Open Electives from the existing courses:</p> <ol style="list-style-type: none"> 1. CE551 Building materials and Technology (3-0-0: 3) : UG/PG level 2. CE552 Construction Management (3-0-0: 3) : UG/PG level <p>(Annexure- IV, pp 76-81)</p> <p>Submitted for perusal and consideration of approval.</p>
Decision	<p>Approved.</p> <p>Offering of same Open Elective course for both UG/PG students may not be appropriate. However, the course instructor should verify the pre-requisites of the course and back ground of the students and accordingly he /she should advise the students to register the course or otherwise till adequate number of Open electives are offered for the UG programmes.</p>
AC.30/2017/ 3/2.4 Note	<p>Revised course structures of the programmes offered by five Departments under the School of Engineering</p> <p>The School Board, School of Engineering has recommended the revised course structures of the following programmes proposed by the Departments of (1) Computer Science and Engineering, (2) Mechanical Engineering, (3) Food Engineering and Technology, (4) Electronics and Communication Engineering and</p>

(5) Energy to implement w.e.f the Spring semester, 2018:

Department	Programmes	page
1. Computer Science and Engineering	i. M.Tech in Information Tech ii. MCA	82-92
2. Mechanical Engineering	i. M.Tech in Mechanical Engineering with Specialization in (a) Applied Mechanics (b) Thermal and Fluid Engineering and (c) Machine Design ii) B.Tech in Mechanical Engineering	93-108
3. Food Engineering and Technology	i. M.Tech in Food Engineering and Technology	109-119
4. Electronics and Communication Engineering	i. M.Tech in Electronics and Design Technology ii. M. Tech in Bioelectronics	120-127
5. Energy	i. M. Tech in Energy Technology	128-133

The School Board, School of Engineering has recommended to offer two Open Elective courses (3 credit each) for 10 faculty members in M. Tech Level. Half of these courses will be offered in 1st semester and the other half in the 2nd semester. The Open Elective courses in B. Tech programmes will have no barrier and the students can register for any Open Elective offered in the basket.
