The Department of Electrical Engineering collaborated with Zeonics Systech, Bangalore. The department had decided to send students from 4<sup>th</sup> and 6<sup>th</sup> semester to the said industry for working on current problem arising in application of engineering domain for a period of 45 days. The MOU came into existence from 26<sup>th</sup> February, 2020 for a period of one year.

However, due to Covid'19 pandemic and subsequent nationwide lockdown, enforcement of strict restricting guidelines from time to time by Government of India and suspension of physical mode of classes, no activity involving the said organization and the students of the EE department, Tezpur University could be carried out as per the MOU.
