Report on Seminar/Conference/Workshop conducted

Title: "Post-Graduate Studies in the United States - all you need to know" by "United States-India Educational Foundation (USIEF)" (Webinar)
Date(s): 3rd August 2020
Resource Person: Officials of United States-India Educational Foundation (USIEF)
Participant's Profile: All the interested student of Tezpur University
Description about the Program: EducationUSA and Tezpur University jointly present information webinar on Post-Graduate Studies in the United States - all you need to know for our university students on 3rd August 2020. Seminar was divided in to two sessions, first session given an in-depth information about post-graduate studies in the United States including how to choose universities, about standardized tests like GRE/TOEFL, admission and application process, cost and financial aid and student visa. Second session was titled as The Graduate Application Packet: SOP, LOR, CV. This was a specialized information session for students who is going to be applied to U.S. universities for master's or Doctoral/Ph.D. programs. After attending these sessions students learned about the various components of a graduate application packet; how to write an effective SOP; what is expected in the LOR and get tips on do's and don'ts, important pointers to keep in mind. Session was very useful, and Students were having a better idea about the opportunities available in USA for higher Education. This session was begin with a formal welcome address by Dr.Pijush C Das and ended with a formal vote of thanks by Deena Davy, Training & Placement Officer.
Feedback: In the question answer session, students have actively participated in the discussion and the resource person explained all the queries of the students.
Report Submitted by: Deena Davy, Training & Placement Cell, Tezpur University

Alumni Talk on How to lead yourself powerfully during this Covid? Resource Person: Priyanka Dutta, Alumna, Department of Business Administration on 29/8/2020

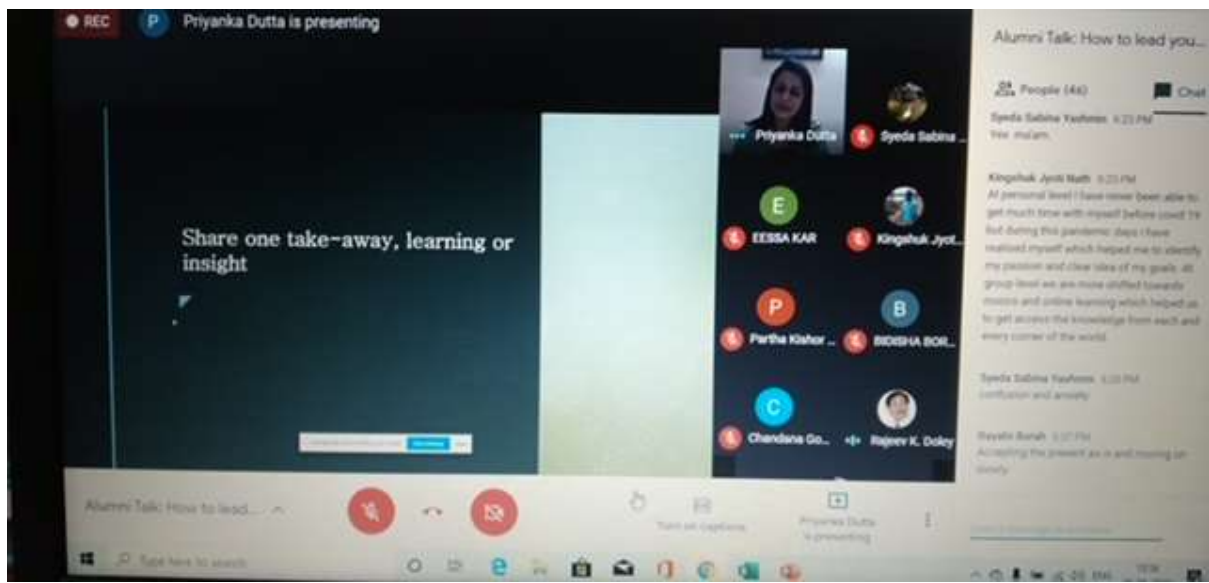

Report on Seminar/Conference/Workshop conducted

Title: Alumni Talk on How to lead yourself powerfully during this Covid?
Date(s): 29th August 2020
Resource Person: Priyanka Dutta, Trainer & Alumna, Department of Business Administration (MBA-2005)
Participant's Profile: All the interested student of Tezpur University
Description about the Program: This webinar was aimed to motivate the students and equip them to lead themselves powerfully during this Covid crisis. As Priyanka Dutta is our MBA alumna, the session was semi-formal and students listened to her carefully and she explained her life journey how she transformed from a MBA graduate to a Trainer. She began her presentation with some questions regarding the crisis which students faced and how they overcame it. She informed the participants that When leading through a crisis, most of us are forced to think and behave in ways that feel unfamiliar. Whether it's a technological, financial, natural, or health crisis at work or in the community or in the home crises demand that everyone take an emergency response plan and adapt it as new evidence and factors present themselves. She also explained How to Lead in a Crisis and she put forward 4 Ways to Stay Cool which were Think about today, Focus on the positive, Get grounded, Prioritize and focus. A total of 41 students have participated in the session. This session was ended with a formal vote of thanks by Deena Davy, Training & Placement Officer.
Feedback: In the question answer session, students have actively participated in the discussion and the resource person explained all the queries of the students.

Get into the world of analytics and data science

A webinar was conducted on the topic “Get into the world of analytics and data science”. on 12th September 2020 by our Tezpur University alumnus Mr. Prakash Gupta, Data Scientist, Tesco Bengaluru. 66 students participated in webinar. Most of the students asked him about how to face interview as a fresher in the role of Business Analytics. He explained about the importance of Algorithm and Data structure in IT Technical interviews. Many students asked him how to reply to HR questions in interview. Moreover he highlighted the importance of certifications from coursera and other networking certifications like CCNA . He motivated other non -circuit branches to get into Data analytics. Overall it was highly informative session.

Online Training Programme on Resume Writing , Case Studies based Group Discussion, Presentation Skills, Interviewing Skills by Ajit Kumar Naik, former Learning & Development Consultant at Facebook on 19, 20, 26, 27th September 2020

S-1.3

Report on Seminar/Conference/Workshop conducted

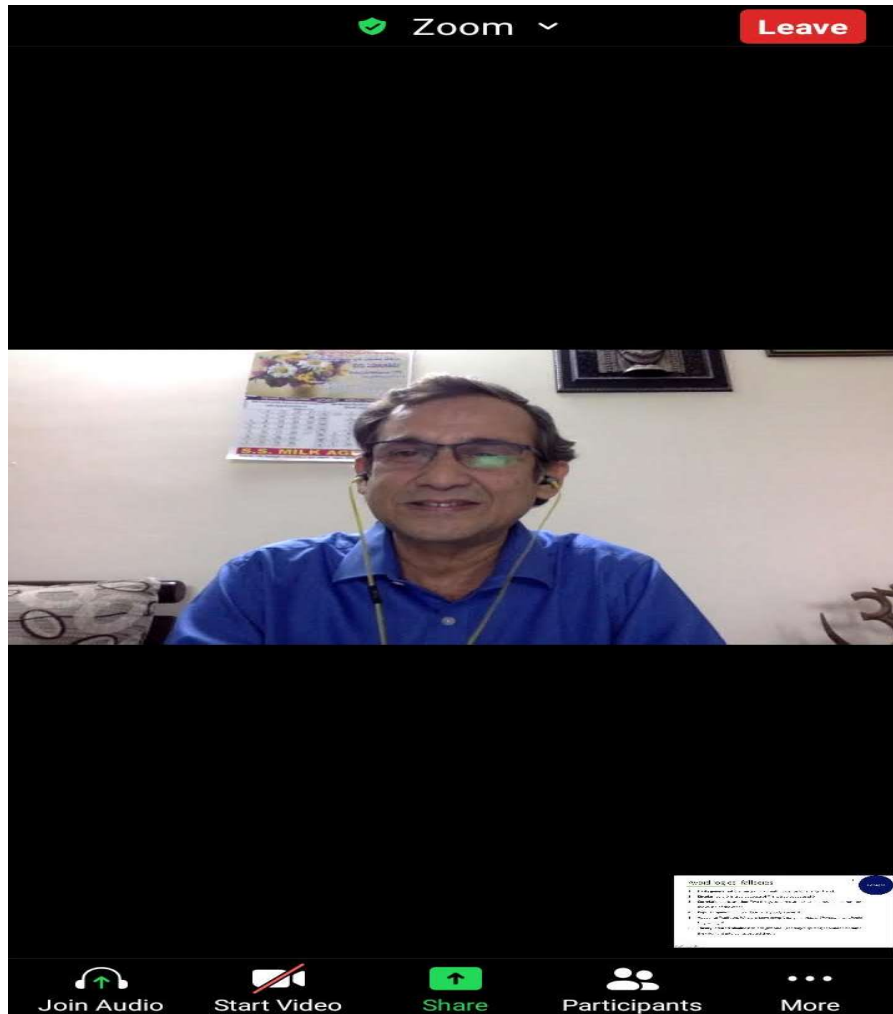

Title: Online Training Programme: Resume Writing, Group Discussion, Case Studies based Group Discussion, Presentation Skills, Interviewing Skills.
Date(s): 19 th , 20 th , 26 th & 27 th September 2020
Resource Person: Dr. Ajit Kumar Naik, former Learning & Development Consultant at Facebook.
Participant's Profile: All the interested Final Year students of School of Management Sciences, Tezpur University
Description about the Program: It was four days training programme on Resume writing, Group Discussion, Case studies and etiquette to be followed while attending interviews along with some mock group discussion, Case study discussion and interviews. This session was organised for the all the students of School of Management Sciences of this University, held on 19 th , 20 th , 26 th & 27 th September 2020. A total of 42 students have participated in the session in the seminar Hall of the Department of Business Administration. He discussed about how can we build an effective Resume with all details to attract the employer and he asked the participants to prepare the career objectives which helped the participants to identify what kind of job they are looking forward. He also discussed about the tips which need to follow during the group discussion and conducted group discussion among the participants. Dr.Naik also explained about the interview techniques and role of mock interview for a successful interview. Dr.Naik also conducted some online mock sessions to get better understanding of how the recruiter find out the most suitable candidates online. Students have learned many tips to improvise their interview and received certain inputs to make a better Resumes. This session was ended with a formal vote of thanks by Deena Davy, Training & Placement Officer.
Feedback: In the question answer session, students have actively participated in the discussion and the resource person explained all the queries of the students. Training & Placement Cell has collected the feedback and received very good feedback from the students about the session.

Report on Seminar/Conference/Workshop conducted

Title: Webinar on Suit Yourself: Personality and Career Choice
Date(s): 27th September 2020
Resource Person: Dr. Nitin More is the Founder at Brainayan
Participant's Profile: All the interested student of Tezpur University
Description about the Program: It was a capsule training programme on Suit Yourself: Personality and Career Choice. This session was organised for the all the students of this University, held on 27th September 2020. A total of 91 students have participated in the session. He discussed about how important is to choose a right career based on the personality of a person. Right career choose undoubtedly play a crucial role in job satisfaction, research shows that personality fit is a leading factor. The better your character traits mesh with your career – the more productive and positive your job performance will be. He has explained it with an example of introverts and extroverts, extroverted people are more likely to thrive in a social, customer-oriented workplace, while introverts fare better with independent, analytical tasks. He also suggested students to complete the psychometric test before coming to the session and he explained the method and what kind of job is suitable based on personality assessment test etc. It's these inherent traits that predict your success in a role, and the compatibility with others around you. Students got a better understanding of their personality and many of them have a better idea about the career fitting for them. This session was ended with a formal vote of thanks by Deena Davy, Training & Placement Officer.
Feedback: In the question answer session, students have actively participated in the discussion and the resource person explained all the queries of the students.

Career in Data science

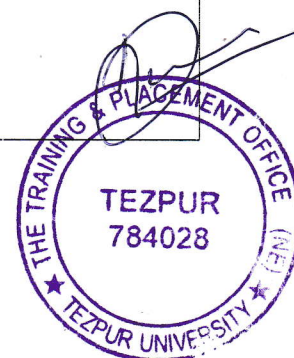

A webinar on “Career in Data science” was held on 01st Oct. 2020 by an Alumnus of BTech CSE 2015, Mr Bikram Kachari. 70 students who participated in the webinar session interacted with him regarding how to groom themselves to start a career in machine Learning. The webinar was very interactive and even he quizzed the students with basic technical questions normally asked by the interviewee. He also gave tips what training to undergo to get in to machine learning jobs. He highlighted the nature of Machine learning projects in industry and the basic acumen and knowledge required to work in Data Science.

**Online Pre-placement grooming programme on Resume writing,
Group Discussion, Interviewing Skills by Ajit Kumar Naik, Senior
Learning & Development Consultant, Brainayan on 10th, 11th &
18th October, 2020**

Report on Seminar/Conference/Workshop conducted

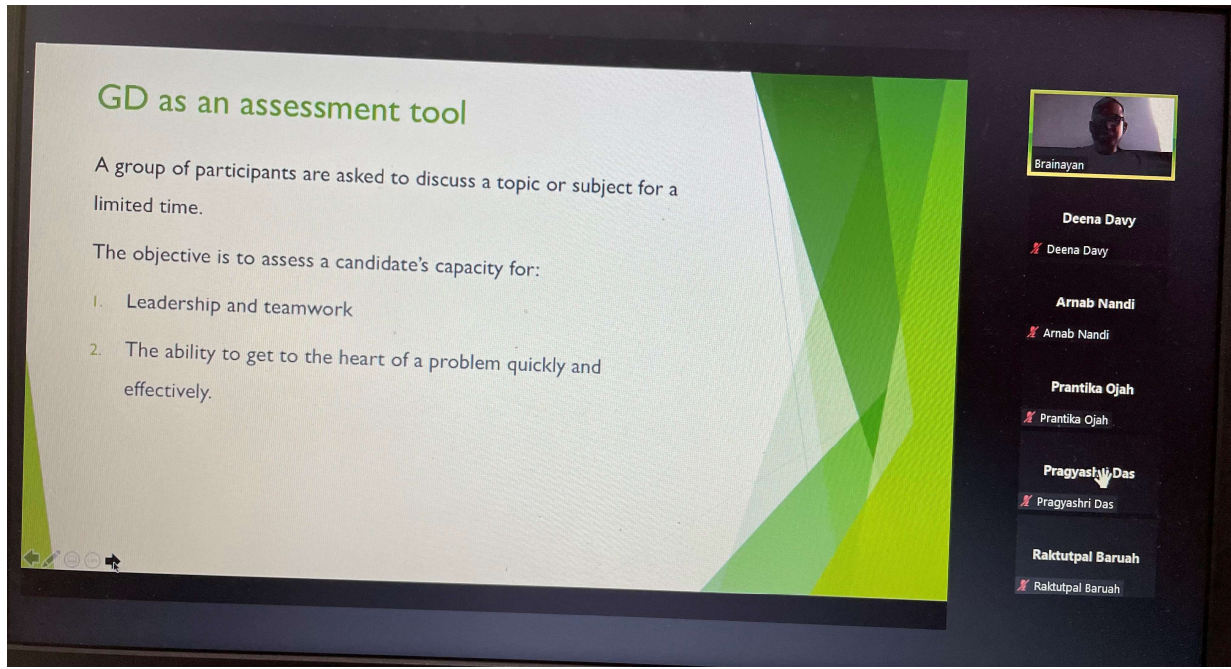

Title: online Pre-placement grooming programme - Resume writing, Group Discussion, Interviewing Skills
Date(s): 10 th , 11 th & 18 th October, 2020
Resource Person: Dr.Ajit Kumar Naik, Sr. Learning & Development Consultant, Brainayan Inc.
Participant's Profile: All the interested Final Year students, Tezpur University
Description about the Program: It was a three days training programme on Resume writing, Group Discussion, and interview techniques along with some mock group discussion and interviews. This session was organised for all the final year students of this University, held on 10 th , 11 th & 18 th October, 2020. A total of 168 students have participated in the session online in the zoom platform. He discussed how we can build an effective Resume and he asked the participants to prepare the career objectives which helped the participants to identify what kind of job they are looking forward to. Dr.Naik has explained about different types of interviews like Behavioural-Based Interview, Task Oriented or Testing Interview, Stress Interview etc. How different recruiters conduct these interviews to find out best talents. Dr.Naik also conducted some mock sessions to get a better understanding of how the recruiter finds out the most suitable candidate from the pool. Students have learned many tips to improvise their interview and received certain inputs to improvise their Resumes. This session was ended with a formal vote of thanks by Deena Davy, Training & Placement Officer.
Feedback: In the question answer session, students have actively participated in the discussion and the resource person explained all the queries of the students.

Resume writing, Group Discussion, Interviewing Skills for final year
students on 10th, 11th & 18th October, 2020

The screenshot shows a Zoom meeting interface. On the left, a slide titled "GD as an assessment tool" is displayed. The slide content is as follows:

GD as an assessment tool

A group of participants are asked to discuss a topic or subject for a limited time.

The objective is to assess a candidate's capacity for:

1. Leadership and teamwork
2. The ability to get to the heart of a problem quickly and effectively.

On the right side of the Zoom window, a list of participants is visible:

- Brainayan (with a small video thumbnail)
- Deena Davy
- Arnab Nandi
- Prantika Ojah
- Pragyashri Das
- Raktutpal Baruah

How to groom oneself for facing IT technical interviews

A Webinar on “How to groom oneself for facing IT technical interviews” was held on 07th Nov 2020 by Mr. Dharmendra Kalita, MCA 2009 batch alumnus, Founder & CEO, The Rook India, COO, Ruralnomics Technologies. 75 students from various disciplines of Engineering participated in the session. He being an entrepreneur explained at length about his experience of building a start-up. He highlighted the various challenges and obstacles faced by an entrepreneur. He guided the students how to get internship in start-ups. He also discussed few technical queries related to IOT.

Dear Student Coordinators,

Training & Placement Cell will be conducting a Webinar on Career Opportunities in the area of Child care and protection on 8th November 2020. Students who are interested to attend the webinar need to register by filling the form below. Please do register only if you are sure of your participation in the given date.

Date: 8th November 2020 (Sunday)

Time: 3.00pm

Resource person : Ullas P Scaria, State Coordinator at Bachpan Bachao Andolan

Click on the registration link: <https://forms.gle/UZszwBzV5YscJxARA>

Last date for registration is 6th November 2020 before 6.00pm.

Report on Seminar/Conference/Workshop conducted

Title: Webinar on Career Opportunities in Childcare and protection
Date(s): 8th November 2020
Resource Person: Ullas P Scaria, State Coordinator at Bachpan Bachao Andolan
Participant's Profile: All the interested student of School of Humanities & Social Sciences, Tezpur University
Description about the Program: This webinar was conducted mainly for the benefit of the Students of School of Humanities of Social Science. The main objective of the webinar was to have a better understanding about the Career Opportunities in Childcare and protection. Mr.Ullas P Scaria explained that Careers in child protection can range from case practice support workers through to expert practice leaders. This career will benefit from professional development, education and on the job training. Students opting this career will be well supported as your decisions that benefit the lives of children and families. He also informed that if a person is passionate about making a difference to the lives of children, then the career in child protection is for them. While there is need for therapy-based skills, a great deal of case work involves statutory investigation, analysis, and critical thinking. He also informed the group that "You'll find it challenging, rewarding, and always changing. You'll work with a diverse group of people who share a common goal and be well supported to make decisions that benefit the lives of children and families." He also discussed that the careers in child protection can range from Case Practice Support Workers through to Expert Practice Leaders. A total of 65 students have participated in the session. This session was ended with a formal vote of thanks by Deena Davy, Training & Placement Officer.
Feedback: In the question answer session, students have actively participated in the discussion and the resource person explained all the queries of the students.

Dear Participants,

As we informed earlier, Training & Placement Cell in Collaboration with the Department of Molecular Biology and BioTechnology will be conducting a Webinar on Crafting Career in Life Sciences - Opportunities in the Corporate world on 11th January 2021. Details are as follows:

Date: 11th January 2021

Time: 4.00pm to 5pm

Platform: Google Meet

link: meet.google.com/jod-zikz-dyx

About the speaker:

Dr. Yugandhar Reddy is the Senior Research Scientist at Hindustan Unilever Ltd, he was the Senior Application Development Scientist at Agilent Technologies. He has done PhD from Indian Institute of Science and was the post Doctoral Fellow University of Pittsburgh.

Please join on time.

Regards,

Deena Davy

Report on Seminar/Conference/Workshop conducted

Title: "Crafting Career in Life Sciences" workshop (Webinar)
Date(s): 11th January 2021
Resource Person: Dr. Yugandhar Reddy is the Senior Research Scientist at Hindustan Unilever Ltd
Participant's Profile: All the interested student Department of Molecular Biology and Biotechnology
Description about the Program: This webinar was aimed to equip Life Sciences students with basic skills and knowledge to select a career path. This session was conducted mainly for the benefit of the Students of Department of Molecular Biology and Biotechnology. Dr. Yugandhar Reddy informed the group that employment opportunities are present in both the public and private sectors. Jobs in government research institutes of Life Sciences are viewed as highly prestigious profiles. The career opportunities are directed completely based on academic knowledge and experience. The field offers limited job openings and employs highly skilled and qualified individuals. There is excessive competition amongst the candidates and only the best amongst the best is chosen. He also narrated about the salaries of employed individuals and informed that it varies based on their academic qualifications and knowledge about the subject. For beginners in the field of research and science, the annual pay begins from 200,000 INR and for the experienced scientists, it is as high as 15,00,000 INR. He also informed that Biotechnology, innovations in medical sciences and genetic engineering are leading branches in Life Sciences. Several research institutes and companies have been set up that hire qualified intellectuals in this field. A total of 24 students have participated in the session. This session was ended with a formal vote of thanks by Deena Davy, Training & Placement Officer.
Feedback: In the question answer session, students have actively participated in the discussion and the resource person explained all the queries of the students.

Introduction to Powergrid and HVDC Technology

Mr M J Baishya, Manager Powergrid delivered a talk on " Introduction to PowerGrid and HVDC Technology" through a webinar on 28th January 2021 .

10 students participated in the webinar session. The presentation was very interesting from Electrical point of view. He explained about HVDC at length, including the role of Engineers as a fresher in PowerGrid. Many Practical technical questions and power system concepts were discussed for the benefit of the students. He urged the students to go for frequent Industrial visits for updating their power system infrastructure knowledge. Overall the participants expressed that the webinar was very interesting.

A Webinar on "Indian Navy as a Career Option" by Captain S Ravindra, Command Recruitment Officer, Eastern Naval Command, Visakhapatnam, was held on 08th Feb 2021.

Dear Sir/Madam,

Season's greetings to you, faculty as also to the students of your esteemed institution. I hope that the **New Year 2021** brings in greater laurels to your very fine institution. I am enclosing an e-calendar & brochure of the Indian Navy containing important information regarding opportunities in the Indian Navy for dissemination to your students.

Towards making students realize the importance of the Indian Navy as a career option as also to explain how to join, when to register and how to prepare for screening and the SSB, we are

Captain S Ravindra

Education:

Captain did his schooling in Gujarathi High School of Jeera Secunderabad from 1974 to 1983

Experience:

Captain Ravindra enrolled at the Naval Academy in Goa at the age of 21 and was commissioned into the Indian Navy's Executive branch on July 1, 1990. Off the coast of Mumbai, he was the commanding officer of a mine sweeper. He has served onboard various frontline ships as an Anti-Submarine Warfare (ASW) specialist. Captain Ravindra is now the Eastern Naval Command's Recruitment Officer at Vishakhapatnam. He is a Commander at present in Indian Navy and serving the nation since the last 31 years and 3 months.
