A Session by

Dr. Ram Charan Baishya

## Resource Person: Dr Ram Charan Baishya

### Education

1. Dr Baishya concluded his academic in PhD from Tezpur University in 2018.
2. He is a Gold Medalist during his M.Tech in Information Technology from Tezpur University in 2012.
3. He had completed his Bachelor's in Engineering from VTU university in the department of computer science and engineering, 2007.

### Experience

1. At present he is working on a sponsored project under MHRD for the post SRF, Tezpur University.
2. Previously he worked on DIT sponsored project for the post SRF, Tezpur University.
3. He had also worked as a Guest faculty at CIT, Kokrajhar in 2010.

## C Training

**Date of Implementation:** 15/12/2018 - 22/12/2018

**Number of Attendees:** 24

**Conducting Consultant/Agency:** Dr. Ram Charan Baishya

*Coding sessions with C being conducted*

Dr. Ram Charan Baishya along with the T&P Cell, School of Engineering, conducted a 7-day bootcamp on learning to code with the C language. C is a strong programming language with a large number of built-in functions and operations that may be utilized to create any complex program. The main objectives of these sessions was to build a strong foundation for the next generation of budding programmers. The need for candidates with knowledge in C as a language is very high in the software industry and the attendees will benefit because of this programme.

Machine Learning introductory session being conducted in the gallery

Industry Machine Learning veteran Mr. B R Shashi Kumar conducted a 7-day bootcamp on Machine Learning with R language. The sessions attracted a large number of interested attendees from all the departments including the newly inducted batch. The students learned about data analysis and based on that idea learned from data to identify patterns and make data driven decisions.

## Resource Person: Mr Santhosh Kota

### Education

1. He had completed his Diploma degree in Mechanical Engineering from Kothagudem Government Polytechnic College in 2002.

### Experience

1. Mr Santhosh presently working as a Design Engineer in OPTI Design Solutions where he worked on the projects like Biometric Attendance Terminal. He holds 4.5 years of experience in this domain.
2. Previously, he worked as a Design Engineer with a Battery manufacturer for 8.9 years and have 8.9 years of experience. He worked for HBL POWER SYSTEMS Ltd. where he Designed and Developed different models of VRLA batteries, prepared GTP documents and GAD Drawings according to the customer requirement.
3. He also worked as a Solar Designer with a manufacturer for 2 years. He generated 2D manufacturing drawings with GD&T, developed a Solar Panel and its structural design, prepared descriptions for SAP coding purposes, Customer layouts, and a Bill of specific material.

**Number of Attendees:** 47

**Conducting Consultant/Agency:** Mr. Kota Santosh

*Interactive one to one session with Mr. Kota Santosh on CATIA*

CATIA (Computer-Aided Three-Dimensional Interactive Application) is a multi-platform system for computer-aided design, manufacturing, engineering, 3D, and product lifecycle management. Mr. Kota Santosh, an industry specialist with experience working in numerous software development businesses, led an interactive workshop on CATIA. It was a 15-day winter bootcamp designed to familiarize pupils with CATIA software. The reviews received from the attendees were highly positive.

*Interactive session on SAP2000 by Mr. Alakunta Surendra*

CSI America created SAP2000, a structural analysis and design software. It's a powerful piece of software that can create nearly any type of civil engineering structure. SAP2000 is exclusively used to design beams and columns. Mr. Alakunta Surendra, an expert professional with having worked in diverse software projects, delivered a session on SAP 2000. It was a 2-week winter training bootcamp aimed to educate learners using SAP software. The students greatly benefitted from this session as it was very interactive.

**B.Tech Student's Induction Programme - 2018-19 on Yoga and Physical Fitness.**

**25.07.2018 to 10.08.2018**

When the B.tech students started their courses, they were given the chance to get acquainted with yoga and other physical activities accessible on the university campus. This programme is required as part of their course requirements. During the introduction programme, students participate in a variety of physical activities that are held twice a day: in the mornings, students practise Yoga and physical training drills, and in the evenings, students are guided by a professional coach in their chosen sport.

Morning physical activities done by newly admitted B.tech students.

"Machine Learning with Python"

23 Dec 2018 - 30 Dec 2018

A Program  
On  
Machine Learning with Python

Organized by  
**Training & Placement Cell,  
School of Engineering, Tezpur University**

23-30th Dec 2018,  
Venue: Deans Gallery, SOE, Tezpur University

A Session by

Mr. B R Shashi Kumar

## Machine Learning with Python

**Date of Implementation:** 23/12/2018 - 30/12/2018

**Number of Attendees:** 22

**Conducting Consultant/Agency:** Mr. B R Shashi Kumar

*Training session on Machine Learning by Mr. B R Shashi Kumar*

Machine Learning with Python was taught to the students by Mr. B R Shashi Kumar, an experienced practitioner who has worked on a variety of creative initiatives. This was a one-week training bootcamp that taught participants Python programming and Machine Learning. Students learned about designing patterns, the use of python in machine learning and much more. Some of the game changing machine learning use cases in real work problems were discussed.

### **Tezpur University Gymnasium Participation List for the Year 2018**

Year 2018 Gymnasium was started in the month of February to October 2018. In this year 231 students participated. Initially, students were admitted for a time slot of three months in the gymnasium and after that, the entry for the students was renewal. Lottery for selection of new students was carried out each month against vacancies that arose due to students discontinuing or due to minimum attendance in the gymnasium.
