Visit to departments, campus and nearby area:

The students were divided into 7 groups and visited the departments of SoE one by one. Students were also taken to visit the facilities available in campus like Sports facilities, Swimming pool, Gymnasium, bank, Post Office, Health Centre, Council Hall etc. These activities were performed twice in a week.

Every Saturday (27/07/2019; 03/08/2019 and 10/08/2019), in three batches (about 100 students) were picked-up by bus from the community center on a guided tour of places in and around the Tezpur town, to get an idea of the landmarks and the surrounding areas of their place of study. Some of the places which were visited are-

- Kalia Bhomora Bridge
- Market Place
- Major Academic Institutions including Tezpur Medical College
- Civil Hospital
- DC Office, District Post office
- Airport, Bus Station
- Cantonment Areas etc.

Mentorship and presentation: Twice a week meeting of the mentors with respective students was carried out to:

- Learn about their hobbies, interests and extra-curricular activities.
- Learn about their goals in life and how they plan to achieve them.
- Learn about their motivation to choose the particular course at Tezpur University for their undergraduate studies.
- Learn about their expectations from their chosen courses.
- Motivate students by updating them about interesting new technologies in their field of study using presentation/videos.
- Learn about the things they liked/disliked about the department/university/ Tezpur town and they want it to be improved.

Games: Based on students interested, they were divided into groups for Football, Basketball and Volley ball. The session was held daily during 6:00 pm - 7:30 pm.

The help received from committee members for carrying out different activities of Induction Programme are appreciable.
